

Greatest Battle Ever Fought #22

Brother Lee Vayle

Shall we pray.

Heavenly Father, just last night we read in this great Message of Truth for this hour, Brother Branham speaking of Your Coming at this time and the people turning down Your Message, referring to this Coming and differentiation from that Coming when You will come here in immortal flesh.

But we're so glad You are here in the form of the Holy Spirit in the Pillar of Fire, heading Your Church leading into the Millennium and putting everything in order for that great day; here to raise the dead.

We're so grateful for that we know these things, Lord, they're not foreign to us, we accept them. Surely Lord, it's as seeing through a glass darkly yet at this point because we're not prophets, but we can believe as children, the prophets.

We do believe the prophets and we thank You for that privilege of believing the prophets, believing this prophet You sent in this hour. We know that he by vision saw You, Lord, in the form of the Pillar of Fire. We know that the camera took that same picture.

And we know You're living here to encourage us, and You're here, Lord, to dynamise Your Word which we have and get us out of here, as the prophet said, *"Everything under the Seventh Seal, under those Thunders was revealed to get us out of here and would get us out of here, put us in a Rapture."* We cannot thank You enough for It.

We thank you for the faith of the people, thank You for the Spirit of God that gave that faith through the Word. We praise You, Lord, that we're one people with one Word, and it shall be that way Lord, because a Bride is that way, we give You glory in Jesus' Name, this morning.

Amen.

You may be seated.

01

Certainly can rejoice and be glad that the Kingdom of God has come. It's born on earth. A virgin Bride Church is formed back about 1955, when those stars came together. And we're now a long way down the road and that's very, very good.

Now, this is number 22, The Greatest Battle Ever Fought, and you notice that Brother Branham said, *"THUS SAITH THE LORD, it isn't Russia, it's Rome."*

And it was the Roman kingdom that fought Christ, that tried to destroy him, and his birth, the little tiny child. And Brother Branham said, *"That in the second advent, which is the spiritual advent, that wherein Christ appeared down there at the river, bringing the*

Message which is the Shout, of 1 Thessalonians 4:16, is persecuted by the Roman denomination."

Now let us understand this very flat, the Roman denomination per say, the Roman Catholic church and its hierarchy, did not persecute Brother Branham.

In fact, when Brother Branham passed away, it was a Brother Dale who gave an article to a friend of his who was an editor in a Roman Catholic paper and the editor wrote a beautiful little obit concerning Brother Branham.

What he is saying here is that Rome is Babylon and from Rome came the first organised church; the church that went into complete apostasy under Constantine, because he was no Christian. Politics combined with religion, you notice America has stood on religion apart from politics, but they... it's not so any more.

02 Now, we must understand this then that Brother Branham was speaking of the whole system. He's not singling out the Roman Catholic church as against the Greek Orthodox, and saying, "Well, the Roman Catholics wrong and the Greek Orthodox is a lot better."

That isn't true. And he's not saying, "Roman Catholics are bad and the Protestants are good;" that's not true. He said, *"There's good in all of them. It's not the people; it's the system."*

And the system that we have today in the Protestants and the Catholics whichever branch, and there's more than one branch, there's actually several branches, several movements within their movements.

They all have the Babylonian doctrine of the trinity. That was the Trinitarian 'club' that kept knocking down what Brother Branham was trying to help, and then he grew his faith muscles for a small Bride who is coming out.

Now he said, *"It is THUS SAITH THE LORD,"* now watch, *"the Catholic hierarchy with all the denominations in the world; she was the leader in organisation, she will remain the leader in organisation but you will notice, the Protestants have fostered and are pushing for the organisation more than Rome."* That's right. They build the image. So be careful what you're hearing. See.

03 The Catholic hierarchy... this is merely the seed, this is the form, this is the root for the whole tree, see, with all the denominations in the world right now coming together as an organisation, the confederation of churches, organising themselves together. It isn't Russia; it's Rome.

And Rome typifies it all; like the apple tree with fifty-seven different branches grafted into it. Here's a Rome, here's a Snow, here's a Banana, here's a Northern Spy, here's a Macintosh, here's a... you know, right down the line; a Granny Smith, and a Pitman, and all the rest and the... and the Seep Noses and the... just dozens of apples.

How many might be? Two hundred varieties for all I know. And you know, just wonderful. But coming out of that central trunk, notice he said, *"It isn't Russia, it's the confederation of churches patterned and based on Rome, with the logical headship of Rome, that's what it*

is, *THUS SAITH THE LORD.*"

04 Now, we said, last night, that this is given to us as a preventive measure what's down the road. Now he said to the unions and the people, he said, *"It's okay to be in the unions now, but watch it when the church takes over."*

We had people, of course, who were previous and I don't mind them being previous, but they usually turn out a pain in the neck because they... look it, brother/sister, please just stick with the Word as It comes.

And I've seen especially, one man I've got in mind, where he's always fought the unions. Well look, I'm not much of a union character myself, but remember, it isn't the working man that's condemned at the end of the age, it's the rich man that's being fostered right now in America.

The only nation I know that allows business to swallow up business which is 'joining land to land and house to house', and it's destroying the labourer, he can't get a job because there's no more jobs left because the money is not creating jobs. And three percent is controlling just about all the wealth.

05 So look it; we're heading into something. Let's understand it. We're heading into it. I don't know when we're going to hit it. Now the warning is out this way, now look it, before I talk about that. Rome is disintegrating as a power and an authority over its people.

Rome says, "We've got to have a bunch of nuns." And the nuns say, "Phooey on you." They're losing their priests. They're crumbling. Protestantism has crumbled.

Now how, under what conditions is Rome going to be able to operate and the churches able to operate and take this vast control that the Scripture speaks of? It is simple as A-B-C; it's got to be by the money.

It's got to be by a new system: system not of religion because religion is not working; spirituality is not working, because this is the time of Noah, when eight people go in the ark and the rest drown. So let's get the picture right, and understand what he's talking about.

06 So he said, *"All right, don't be with the unions when the church takes over,"* and remember, the pope went to Geneva years ago to a large labour conference and he said, "You workers are right."

That's you know, to get them all down there where he's going to, you know, anaesthetized by his smooth talking words, but you watch, that iron fist in there. It came back, way back in the days of Diana, way back from Babylon, that idolatry.

Look it, Israel was carried captive into idolatry into Babylon; they went in there with their priesthood. They went in there with the temple. They went in there with the Word of God. They came back with the rabbinical order. They came back with a synagogue. They came back with the Talmud.

And God's hated it ever since. It started with Nimrod, and before Nimrod. And that's what

you're looking at and any bunch of history books will prove to you what Catholicism is all about, and what Protestantism is all about. You see, that's what you got to understand.

07 All right, we'll get to this, the Scripture in Revelation 18, as we read; but Revelation 18 will show you the world church system headed up in Rome. And what's wrong with that? It's got to have someplace to have a head.

Now God tells us where the head is, so hallelujah, it's not in New York. You know when they got very shaky over there in Europe during the Second World War and Italy looked like it was going to be completely annihilated and maybe, the pope and his boys would be incinerated?

You know where they're going to go? Plans were made to go to Quebec, Canada. Wasn't that stupid? God had other plans. Now who do you think's going to win? God's going to win. He said, *"It's Rome."*

And it's not just Roman Catholics now, now don't get that, it's not Greek orthodox. No sir. It's the whole church system; the trinity system. I am sorry in the sense of the word, to disabuse you and bring it down to such simple outline as the prophet did, but I've got to do it. It is simply organisation, the trinity system, false gods.

And Brother Branham said, *"Baptist, Methodist, witchcraft."* He didn't say, "Roman Catholic" that time. So get the picture we're not fussing at anything here, we're just trying to let you know where it came from, where Brother Branham is teaching from the Word of God and he was the prophet with *'THUS SAITH THE LORD'*; always lined up with Word and he said,

[56-4] *"[One day] I'll perish, but this Word can't perish. And you younger people, if it [doesn't] happen in my generation, you'll see [it] There's the thing.*

That's on page 56, the 2nd paragraph from the bottom now.

[56-5] *Did you hear the news this morning, Mrs. Kennedy going to see the pope, and what the pope said? [I don't remember what that was all about.] All the religions of the world...*

08 That's true; you give me one reason why our President should defer to a leader in a church. You show me one reason why Golda Maier went to see him, too. It wasn't very much 'gold' in her ear either she got.

She came out spitting tacks, because the pope pulled on her the same thing, the pope and the Catholic church and even the Protestants now; I'm going to throw a word in there about it, have pulled on the Catholics... on the Jews, and that's blame them for the death of Jesus Christ, and persecute them and get rid of them.

Now talking about that, I mentioned last night, and I think I am correct in my understanding which I've understood years ago; that Germany has been a Protestant nation, now it might not be, but it was years ago. United States was a Protestant nation; it is no longer. The preponderance is with the Roman Catholics.

09

Now let's look at this picture, during the time of the 2nd World War, I believe it was Pope Pius, his name is and was, was confronted with the evidence that the Jews were going to be destroyed under Hitler. It is known he took no steps.

Now they're trying to whitewash it, but let's go to America here, under Roosevelt, we know, absolutely, that Roosevelt and the American government was appraised of the fact of what was going to happen to the Jews. What did they do? Nothing. There's your Protestants.

So what system is filled with the blood of the martyrs and the blood of the people of God? The whole system is. You can no longer look at Roman Catholicism and say, "Well, they took sixty-eight million," as Smuckers Glorious Reformation tells, which they did.

We know Saint Valentine's Day, we know how they destroyed the Huguenots, we know all, what they have done. We know that; starting under the great Saint Augustine, who said when Paul was raging against God; God struck him down, to make him a convert, therefore, the church must strike down and make converts.

There's Catholicism and Protestantism is the same thing and you will see it and you've seen it already. And that's the thing you got to watch is the complete organisation, because the blood of the martyrs is in the complete organisation. And that's what I want to look at and get across this morning.

And Rome will head it up, and they'll use the pope, you bet your life they will. He's the logical man. He's the beast that was and is not, but shall be absolutely, there's no foundation to their doctrine. It's pagan.

The popes keep coming and going, coming and going. Who puts them in? Does God put them in, only indirectly? Man puts them in. God has his own popes which are his own vicars and all. All right.

10

Now, there's what you're looking at.

[56-6] *See? Don't worry about Russia. Russia's a small pebble on the beach. Don't you worry about communism; you watch Romanism, when it's uniting with the churches.*

Now, I don't know if you saw this man on TV, I was fortunate I was in a motel at the time, I turned it on... TV, to get the news and here was a Roman Catholic priest.

I think he's the bishop, I wish I could remember his name and he was being queried by the press and he let the press know positively that we do have connections with Poland; that's the time of the uprisings, and the problem over there. And they had problems also with the thinking, their thinking; they're thinking that Russia would intervene.

And this man said, "Russia is not going to intervene." "Well," they said, "Sir, how do you know?" He said, "Because we have our legates in Moscow and they have theirs with us... and there is not... we have an agreement that if we do not push them too far and we do not fuss too much they will not walk in."

And Russia did not walk in. Now let's face it, the whole country, the whole world has 'détente' with Russia, and what have you, the Eastern Bloc, call it what you want. There's your 'iron' and your 'clay'. It isn't going to mix. They're at variance.

And you know what at this time of dictatorships they're called kings and democracies and so on. This is the hour when... of the 'feet' when the rock will come down and smash the whole thing. Now that is what you're looking at and if you don't accept it that is your business, but it is the truth. It's the Word of God.

[56-6] *...watch, Romanism, when it's uniting with the churches.*

11

Now what holds Rome back at this time when they're being, you know, toadied to, is the communion. That's the whole thing. The Protestants are already Roman Catholics as far as doctrine is concerned, which is trinity, which means they're in a false worship and God will not accept it.

You've understand then this morning, that there is only a handful of worshippers, because God will accept nobody outside of Spirit and Truth. Now when you see all the organisational churches talking in tongues, which is nothing but a 'gift' of the Holy Ghost, you know, nothing but a gift, it's not the Holy Ghost and they call it the Holy Ghost.

The whole world now has an anointing upon it; just exactly what I said, "Before the great and terrible day of destruction when the sun begins to blaze upon the earth, when man really is committing suicide by his own folly, destroying himself by destroying the earth, the atmosphere and the whole thing."

It says at that particular time there's going to be prophetic utterance sweep the earth and he said, "Your sons and your daughters will prophesy and mine, also, by the same Holy Ghost." One is merely anointed which is the multitude, and the few remainder are the true servants of God because they are not simply anointed, they are baptised with the Holy Ghost.

Now you can see right today the neo-Pentecostals, which start with the old hierarchy the Roman Catholic church. They're everywhere and they brought the whole system together through the speaking in tongues, which are gifts of the Holy Ghost, and the Bible tells you, that's the time that the Lord is Present.

And yet our own people say they believe this Message will make me a liar and a fool. I am no liar and I am no fool. I am telling you the Truth and you're not being led astray, not for one minute. We have to take our stand on the Word of God.

12

Now going and reading, he said,

[56-6] *There's nothing written in the Scripture about communism ruling the world.*

That's exactly correct. The deteriorated Roman Empire brought back unto the papal empire is what is doing it. We'll read the 13th chapter shortly and show it to you.

[56-6] *And I go by the Word, regardless of what anything else goes [by]; It's the Word that I believe.*

Now you see, you're brought right back now to this understanding "Do you accept the Word?" which is the greatest battle there is. You see Russia doesn't have it... I mean... Rome

doesn't have any atomic bombs.

It doesn't need them. We got them for her. She doesn't need any. Now, let the whole world dig and delve, they'll end up a slave steward. We'll show you in the 18th chapter of Revelation, we'll get there after a bit.

13 All right.

[56-7] *It's Romanism that takes the world*, [Now 'Romanism' again is the terminology we're looking at, embracing all.] *It's the mother of organisation. There never was an organisation till Rome*, [and that's absolutely correct. Everybody knows it by studying history.]

...and every one of them come out of ... [her, that's one hundred percent correct, everybody knows that, your newspapers will carry it.] *and the Bible said so. She was the mother of harlots.*

14 Okay. Now we go to,

Revelation 18:1-3

- (01) And after these things I saw another [mighty messenger] come down from heaven, having great power; and the earth was lightened with his glory.
- (02) And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and... become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. [Now that tells you exactly the condition of Babylon which is Rome essentially, embracing fondly the organisations that come into her.]
- (03) For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.

Now with that, the 9th verse, beginning:

Revelation 18:9-17

- (09) And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament her... for her, when they shall see the smoke of her burning.
- (10) Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgement come. [You're wiped out.]
- (11) And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more.

- (12) [And] the merchandise of gold, and silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all manner vessels of ivory, and all manner vessels of... precious wood, and of brass, and iron, and marble.
- (13) And cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of men.
- (14) And the fruit[s] that thy soul lusted after [are] departed from thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all.
- (15) The merchants of these things, which were made rich by her, shall stand afar off for the fear of her torment, [wailing] weeping and wailing.
- (16) And saying, Alas, alas, that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones and pearls!
- (17) For in one hour so great riches is come to [nothing...]

What is he telling you here? The church owns it all. The church has got the scheme that will bring about prosperity and the flow of commerce. They're controlling commerce. Now how they going do it? It's not going to be Italian money. They haven't got it. The lire doesn't mean a thing.

It's the American money controls seventy percent of the commerce of the world backed by nothing any more. Then how are they going to get out of the mess? Someone's going to have to provide the gold. You can talk all you want.

Don't believe Roosevelt, he's dead and he had a bunch of fools around him. They tried to make gold simply a commodity. You can't do it. There's got to be a standard. There's no... listen, there's no legitimate reason for a standard. It's insane, it's nuts.

15

Do you remember the story of the Arabs out in the desert? A storm came up, they lost their camels and their water. They were crawling along in the desert, in the heat of the day, when suddenly one of them spied a bag, a leather bag, that was just like a water bottle, and he was so happy. "Salvation!"

He opened the top of the water bag, brought the water and out came precious jewels and gems and he cursed the wealth. It wasn't water. I'm trying to show you something here. Eat your diamond rings. Eat your fur coats. They won't taste very good.

You would give them both for a bowl of rice, or Cheerios, or something else. True wealth, actually is what we raise and what we can do for ourselves and others. The whole system is crazy. It's insane. It's of the devil. And Rome has the gold.

I never thought, but they tell me down to the basilica down here in Mexico, and I'm sure I was told, that just one set of gates in that basilica weighed twenty-two or fifteen tons a

piece.

Either fifteen gates weighing twenty-two tons, I think it's twenty-two gates weighing fifteen tons and that's just one set. So they're going to control it all, and you're going to see it at the return of the Lord, the whole thing is going to smash.

So that's what you're looking at here. That's what the whole sad story is, nothing you and I can do about it, but we're warned, don't get entangled in it, because starvation is preferable to selling out to the beast.

And it says, "No man can buy or sell, without the mark of the beast" and the 'beast' is going to be a man. Well, the 'beast' is actually a power, but it will be with a man.

16 All right. Now he's warned us.

[57-2] *When the enemy attacks* [with this] *"Oh, I tell you, you ought to come [and] join our... [church.]"*

Now listen, what is the 'mark of the beast'? Forehead and hand, now what do you do in a forehead? Why did God give the phylacteries and said, "Now make a little box and put it on your forehead, it will contain the Word, and every time it ought to go, boing, boing, boing; keep you then aware of the Word of God."

So what does it stand for? It stands for you taking their doctrine; that you must be a Trinitarian. Look I know what I'm talking about or I wouldn't be telling you this.

You cannot even join what the religious people have concocted as an organisation to help your church get things cheap unless you sign, "I believe in the holy trinity."

You believe that? You better believe it, because I am telling you the truth. I've been through the whole thing. Come on, kid. We're not talking something that's dead; we're talking about the truth.

17 Organisation demands that you be a Trinitarian. That's why they'll take a church like this and turn it into a library or something else, but they will take it and nothing you and I can do about it. "Well, I'm going to do so and so. My property's clear. I'm glad your property's clear; so is mine."

But I'm not so stupid I don't know this; I can't pay my taxes unless I've got the money and they'll kick me out if I don't pay the taxes. And right at this point there's not one house in Logan county or one in Allen county or one in Auglaize or in any county in America that hasn't got a mortgage on it by the school boards.

So much for your thinking; you're free. Phhhh! You're lock, stock and barrel sold out to religion, right from the pit.

18 So what you're supposed to do? You're supposed to know this. Now I'm belabouring this because Brother Branham said it and I got to belabour it, because I am fearful with a godly fear that this is going to meet us head on. What are you going to do about it?

Sit around and natter and pick nits now and go back in the past and mumble; that's what I said last night. It's time we had some changed temperaments around here from the pastor on down. No time to pick nits anymore.

Stand with the truth and I haven't vacillated, you've heard me all these years; I haven't changed one time and I'm not about to change. I don't say you listen to this preacher here; you're going to go to hell, then turn around and deny it in another sermon.

I stay logical all the way through; I stay right with this Word. If this Word you've heard me preach; if this Word doesn't do it, it's not going to be done, my brother, my sister, because I'm not going to raise a hand to try it. I'm too defeated; I'm too depleted.

My hip hoorah in the camp doesn't mean one thing, unless it's the Shout of God and His Empowered Word; you haven't got a chance and neither do I.

19 All right.

[57-2] *Oh,... come [and] join our [church], [then we'll take care of you.]*

They'll be real sweet about it. No doubt, they'll say, "Well, look, you don't have to starve. We're trying to be good to you." That's what the devil said to Eve.

"You don't have to be this way, you shall not surely die. Well, I got just the loveliest way to get you out of this mess." So he comes in with flatteries, the Bible mentions the 'flatteries'.

Oh, you don't need to worry, the days when we used to put the Protestants and leather bags with snakes and throw them in the water, oh that is passé, phtt, "Oh, we wouldn't consider that, no, no, no," certainly you wouldn't; you'd just let starve by themselves, wouldn't you? Protestants got it; it's all over the world, brother/sister. Why do you think Roosevelt stood by when he had those letters?

He let the Jews die. "*America*," Brother Branham said, "*all her shames and all her glories are to ensure the truth.*" We've got some history; haven't we?

[57-2] *What are you going to do? Back down?*

20 Now what's... what do you mean back down? Well, this church is taking this stand against these things. Now when the issue hits us in the face, are we going to back down? Very fortunately, it wouldn't do me any good to back down, it's all on tapes, and they're scattered hither, thither and yon.

[57-2] *Compromise?* [Well, we really didn't mean it; I would bend a little.] *Not a real soldier won't.* [What real soldier? That understands what we're talking about, Romanism, ecumenism, organisation, hierarchical government, Laodicean tactics.] *What do we do then?* [Real soldiers won't do it.] *No sir. What do we do then?*

The mind, let the mind that was in Christ... [be in you.] Is that what the Bible said? The mind that was in Christ be [in] you. What kind of a mind did He have? [Just] stay with the Word.

What's the Word today? The mighty Messenger came down and said, "Come out of her, my people, and don't have a thing to do with her," because she is going to be destroyed. Remember what happened to Lot's wife.

That's right. Stay with the Word, the Father's Word, and defeated the enemy every time.

Now this is the 'mind' age brother, and by what Brother Branham is saying here, I am led to belabour the point as I've already said, this is very important to you and me today to understand our enemy is Satan in the church and it started in Rome, and Rome must take over.

21

Now, let's find out what Brother Branham said about it, as we go to Revelation chapter 13. Now here's what we're looking at,

Revelation 13:1

(01) And I stood upon the sand of the sea, and saw a beast rise up out of the sea, [here's Daniel's vision all over again] having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy. [Blaspheming God.]

Notice, the other revelation said 'names'. Blasphemous names. "What are you?"

"I'm Methodist."

"I thought you were a Christian."

"I'm Roman Catholic."

"I'm Greek Orthodox."

"I'm Pentecostal."

"Why, I'm Baptist."

"I'm Seventh-day Adventist."

"Hallelujah, I'm Jehovah Witness."

Who told you? Where did you get that from? Right in the first church, it started under Paul.

"Why," they said, "I'm of Peter, I'm a Peterite. Hallelujah."

"Well, I'm a Paulite. Hallelujah. Glory to God."

"Why I believe, I believe in Barnabas... praise Jesus."

Paul said, "Yeah, were they crucified for you?"

What has your church done for you? Tell me. Go on, think it over. What's it done for you?

Wait awhile, I'm sorry these sermons drag another six or seven sermons might get finished; I'm sorry about that, but we've got to take our time, got to see what's in here. Because Brother Branham said, "This was the stored up food; this was light; this is what is going to get us out of here and keep us from problems."

Revelation 13:2-3

(02) And the beast which I saw was like unto a leopard, and his feet were as the feet of the bear, (Daniel's vision all over again) and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority. [Now here's somebody, here's a kingdom, here's a, here's an authority granted by the enemy over our souls, which is Satan.]

(03) And I saw one of his heads [as it] were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

22

Now Brother Branham categorically said, that was politic... that was ancient military Rome falling; remember the Goths and the Visigoth literally destroyed him, that Rome fell as a world empire but the wound is healed under papal Rome and she's got her tentacles in every place in the world.

The Pentecostals were certainly amazed when a man came over from Yugoslavia many years ago; entered a church, I think it was in Montreal, if I remember correctly, but I'm not positive, someplace in Quebec. And there he saw a man that he knew in Europe, a man of influence in the congregation, a man of power and authority.

23

And he said to the preacher, "Do you know who that man is?"

He said, "Certainly, he's been here for several years. He's a great man," gave him all the points... that man was a Roman Catholic priest and is a Jesuit from Czechoslovakia.

Who do you think walked into Galdona's church one day without the collar on backwards and heard Galdona absolutely, not run down, but show what Catholicism was into and up to.

They introduced themselves at the end of the message, two Roman Catholic priests, and they said, "Reverend Galdona, we enjoyed your message very much. It's very inspirational and very illuminating."

They will pay their price for ecumenism and the Protestants will too and they will come together, and this is the thing that's going to shock your mind. Why would the devil be interested to destroy a handful of people when he's got the whole bunch in his mitts?

Now think it over. Now think it over. I can hardly think it over. I haven't got a grasp; but I'll be honest with you. I've got a small little trickling in my mind that says, "That's exactly right."

24

But I cannot at this moment estimate... Hold your finger, go back to,

Ephesians 1:17-18

- (17) That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him:
- (18) The eyes of your understanding being enlightened; that you may know what is the hope of his calling, and what the riches of the glory of his inheritance [is] in the saints.

I can't fathom that; but that's in the Shout. That's right. And the devil wants to see It die. We hold a key according to Hebrews, "That they cannot be made perfect without us."

There's a song that says, "He's got the whole world in his hands." That's a lie. He's not interested. "He's got the itty-bitty baby;" He's not interested. He's got a Bride; He's interested.

There must be then truly stated, that all that was in God is now wrapped up in this Bride in this hour. It puts you in a state of shock.

25 As I said last night it's going to take a whole lot more than we've been looking at on the surface. When you take what Brother Branham said and carefully analyse it and lay it out before us as God did through this end time minister and prophet, and look at that which is so literally as it were, cut and dried.

They were all in a tube, like Brother Branham was, and you come back and say, "Well, then what is it all about? Why does God find fault? Who are you O man, to reply against God. Shall the thing say to him that formed him why hast thou made us? Cannot the potter of the same lump make a vessel unto glory and one unto dishonour; honour, dishonour. What if God willing to show his mercy upon the elect did such and such."

26 For he said, "Except I send Elijah, I'll utterly destroy." Elijah of this hour is the Lord Jesus Christ Himself, not a man God, but it comes by a prophet.

You begin to see, brother/sister, what a price Brother Branham must have paid to receive a revelation and what a price we may still pay; still pay to get the heart of this revelation, wherein he told, *"That I would sooner have perpetrated upon me the curse and acts of the Knights of Columbus than spend three minutes in the Great Tribulation."*

Many people say that document is not an authentic document, I'll challenge that any day of the week, knowing what St. Augustine said and if he was a saint; I'm not interested. He turned down the baptism with the Holy Ghost.

But then what did Calvin do? He turned down the dynamic revelation of one God and the man was committed to the state. Now where is the Protestant? Where is the Catholic? Now here's what we're looking at, brother/sister.

Now let's... why did Brother Branham preach it if it's not so? Why, why would he so casually say now, *"Well, now folk, there's a little something over here I'd like you all to hear, seeing I'm from Kentucky, and you all sit very quiet and I'll just tell you how the devil takes one in on you."* Oh no, uh uh, never knew a more serious man in my life.

All right. His head was wounded. Rome went down and is come back. And anybody dare deny that Rome has come back is a fool, categorically I repeat, he is a fool.

And I'm not necessarily referring to the scriptural fool, because he said, "There is no God." I'm referring to the fact of the man is a self-induced idiot, who refuses to read history or any hand-writing on the wall; who is as gullible as Belshazzar was.

When Daniel came in and said, "Your kingdom is gone. It's shot. It's finished."

He said, "This man's a marvel. Bring him the best robe in the house and make him third ruler in my kingdom."

Daniel said, "You idiot, you ain't got a kingdom."

How foolish can man be? Smart grandson of the greatest king that ever lived of the world, not Solomon now, I'm talking about the world, Nebuchadnezzar's grandson, Belshazzar.

People say, "Well how then can Rome be that one?" If you don't understand by now, I've told you enough. If there isn't a person... even the Jews went to the pope and there's nobody who hasn't gone to the pope.

And there isn't anybody who doesn't want the pope to intervene. And you tell me Rome isn't back where it was; Rome is bigger than it ever was, because now she doesn't have to fight with the sword; she's got it all made with the politics of religion. She's wounded but she's alive today.

Revelation 13:3-4

(03) ...and all the world wondered after the beast. [You watch how she grows in power.]

(04) They worshipped the dragon, which gave power unto the beast: and worshipped the beast, saying, Who is like unto the beast? [and] able to make war with him.

How can you make war with Rome? How come during the Second World War it wasn't bombed out of existence? The Anzio Beachhead and everything else where men were dying around the country. Why didn't they help the Jews? Why didn't Roosevelt help the Jews?

America sat back and pumped billions of dollars everywhere, but into Britain; she had to give up her base and everything she had, start the fall of an empire. Yeah, America did. It's a great heritage, we got in this country isn't it? still the best there is.

Revelation 13:5-15

(05) ...there was given him a mouth that speaking great... things [of] blasphemies; and power was given unto him to continue forty and two months. [That's three and a half years.]

- (06) ...he opened his mouth and blasphemed against God, to blaspheme his name, and his tabernacle, and them that dwell in [it]. [And he's already done it. Father, Son and Holy Ghost, is not a name it's titles.]
- (07) And it was given unto him to make war with the saints, and to overcome them: and power was given him over kindreds, and tongues and nations.
- (08) And all that dwell upon the earth shall worship him, whose names are not written in the [Lamb's Book of Life] slain from before the foundation of the world.
- (09) If any man have an ear, let him hear.
- (10) He that leads them into captive [should] go into captive: he that kills by the sword, must be killed by the sword. Here is the patience and faith of the saints.
- (11) And I now beheld another beast coming out of the earth; [America, out of the earth;] he had horns like a lamb [two horns,] two horns of a lamb [ecclesiastical and the civic, notice,] [like a lamb but] he spoke like a dragon.
- (12) And he exercise[d] all the power[s] of the first beast before him, and caused the earth and them that dwell therein to worship the first beast, whose deadly wound was healed.
- (13) ...he doeth great wonders,... he maketh fire come down from heaven [in] the earth in the sight of men, [could be, I don't know what that's all about, but it doesn't matter.]
- (14) And deceiveth them that dwell on the earth by the means of those miracles which he had the power to do in the sight of beast; saying to them that dwell on the earth, that they should make an image to the beast, [that] had the wound by the sword and did live. [All right, the 'image', of course, is the hierarchical system here in America, made by the Protestants.]
- (15) And he had power to give life to the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

28

I want to ask you a question, where did the Marshall Plan go for the American money? It went right to Europe which was Catholic and saved it from the communists.

What you want to do sometime is do what a Baptist preacher did. He took a map, everywhere where Catholicism was both the Greek and the Roman, he put it in purple. Then he took that purple map laid it out, cut it out and put it red. And exactly where Catholicism was, communism came, because communism rises against the order of Catholicism and oppression and gets its own kind... feel the oppression of the system.

It's a system that's come down and the church is going to do it. Now you see, people are not going to believe this. The church is utterly convinced that it is communism they're fighting. It is not communism. Pogo said it well, "The enemy is us."

All right.

Revelation 13:16-17

- (16) He causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:
- (17) And that no man might buy or sell, [that didn't have the mark of the beast]...

In other words, you joined the church, you must believe what it says, you must do what it says, and then you'd be completely free.

29

Now the 17th chapter of Revelation it said:

Revelation 17:1-3

- (01) ...there came one of the seven angels which had the seven vials which talked with me, saying... Come hither; [and] I'll show thee the judgement of the great whore that sitteth upon many waters.
- (02) With whom the kings of the earth have committed fornication, with the inhabitants of the earth and have been many drunk with the wine of her fornication.
- (03) [See]... he carried me away in the spirit... and I saw a women sit upon a scarlet colored beast, full of names of blasphemy, having seven heads and ten horns.

You see it's a continuation of Daniel. And the prophet tells us today how that continuation took place. It is papal Rome as against the legitimate monarchical Rome, where they had a monarchy, a kingdom, but you got the same force and the power. It was pagan then, it is pagan now.

Revelation 17:4-7

- (04) ...woman was arrayed in purple and scarlet..., ...decked with gold and precious stones, pearls, [and so on.]
- (05) And [on] her forehead [is] written, MYSTERY, BABYLON THE GREAT, [the mystery is explained what it is.] THE MOTHER OF HARLOTS [explains what it is.] THE ABOMINATIONS OF THE EARTH.
- (06) And I saw the woman drunk[en] with the blood of the saints, with the blood of the martyrs of Jesus: when I saw her, I wondered with [a] great admiration.
- (07) And the angel [where did you?]... why do you marvel? I will tell you the mystery of the woman, and... the beast that carries her, which hath the seven heads and the ten horns.

30

And Brother Branham categorically lead us through and caused us to understand, THUS SAITH THE LORD. Now here's where you might be tested and tried. How much of Brother

Branham's message is THUS SAITH THE LORD? I take every single word, because a prophet cannot tell a lie.

A prophet does not have a mind of his own. A prophet cannot say his own words and that is proven by the very Bible you say you believe. Because when Isaac lifted his hand to bless Jacob and Esau, and Jacob had tricked him, there was no need to trick him. There was no such thing as a false contract which will stand in the court of God.

Yet when he laid his hands upon Jacob, thinking he was Esau, God cannot be tricked, and God spoke through that man, Isaac, pronounced the blessing and when Esau came and Isaac knew he was tricked, by a human being, he knew he was not tricked by God, and he said, "What I said will be."

Now you know no God and no judging anybody unless he's an absolutely perverted crook who would ever stand behind anything that was pure chicanery that was. Pure fraud. I want you to notice, a man of God, a prophet. It's impossible.

Balaam opened his mouth to curse Israel and nothing but blessings flowed out and he was a false prophet. He had a true gift of prophecy but he himself was a false man. See, stay with this Word.

31 We're looking at this mind age.

[57-3] *Now, when the enemy attacks and tries to say you got to do this, and do that, [now he's talking about this condition that is coming on the earth,] what are you going to do? Stay with the Word. That's right. What are you going to do then? Take the Word. What is the Word? The Bible said here, we just read it... For the Spirit is of God is the Word.*

What's he talking about there? Well, the Spirit that is of God will stay with the Word of God or you don't have the Spirit of God; you just have an anointing.

It's just like you are born today with human life but also if you're born... if you've something from God, you got that divine spark in there, but you see that's why you got to be born again. The Spirit of God uniting with that down in there, that little seed, to bring forth Christ in you.

32 So now:

[57-4] *See? Look here. "And take the helmet, [no, he said,] "For the Spirit of God is the Word. See? Look here. "And take the helmet of salvation, and the Sword, the Sword of the Spirit—the Sword of the Spirit." What's the Spirit that comes in through your mind, and enters into you; and the Sword of that Spirit is the Word of God.*

[Now] *...What does that Spirit fight with? What does the Holy Spirit fight with? Sensations? Feeling? The Word. Glory. Glory, [he says, now just a minute. This is something to think about when he's talking about the Spirit.]*

33 Now let's go back first of all to Ezekiel the 12th chapter 10th verse. Now here is a verse of Scripture totally misunderstood... No, Ezekiel, it's got to be the 11th chapter.

Ezekiel 11:19

(19) And I will give [unto] them one heart, and I will put a new spirit within you; and I will take the stony heart out of [your] flesh, and will give them an heart of flesh:

Now this, many people think the baptism with the Holy Ghost; it is not. You cannot be born again until first of all you have a new spirit. It takes that new spirit of God to come into you and it's not the Holy Ghost; it's just a work of the Spirit, upon you in order that you can be in a condition to receive the Holy Spirit.

Now that's why you see hundreds and millions of people that are religious. They're fine people. They come this far but they don't come any further. And it's proven by the fact because they cannot receive the Word. See?

Now, you've got to have first of all a spirit from God to literally change the spirit within us which is not the Holy Ghost but to bring us around to the place where we can have and know the things of Almighty God.

Then you go to Acts 2:38 which is "baptised in the name of the Lord Jesus Christ for the remission of sins and you do receive the Holy Ghost."

Now, then this perfect faith which we have today will change our soul and our own spirit and give us an entirely different atmosphere which is one of learning and believing and yieldedness to the Word of Almighty God.

34

Now, you will notice in here, that Brother Branham is speaking to the people who not only need the message to enlighten their minds and their hearts, to know the things of God for this hour, but he is also speaking to the people who need healing.

Not just healing, but there's problems in their homes as he often illustrated, with men and women coming to him, even in break downs of marriage and children and so on... other problems which may concern your livelihood, which may concern the... not just the physical aspects of your life, such as healing but may in many cases, the mental aspects.

Now, he is speaking there concerning the whole church and the individuals, so what I am leading up to is this. In the language of modern health, the expression is called, 'holistic healing' and it's not w-h either, it's just h-o-l.

And it's the dealing with the complete man so that you recognize that you cannot at any point divorce your body from your soul. Now let it sink in. You cannot divorce or erase your spirit from your body or your soul.

That's why Paul said, it is necessary to come to the place of understanding and believing and receiving the entire sanctification of the body and the soul and the spirit.

And John said, "I wish above all else that you would prosper and be in health as your soul prospers." Knowing the soul cannot prosper apart from a spirit delivered and revealed Word which comes by God's own Spirit through the human mind, the brain and the mind, human spirit, down into the soul.

35

So, there is no such thing for us to be looking at, anything other than the complete picture in this hour when we're talking about the greatest battle that has been fought, is being fought and will yet be fought. You've got to take the doctrine, brother/sister, and I mean understand that doctrine.

And that's why Brother Branham is so misunderstood, because they don't know the doctrine; they only know the quotes. And they end up exactly as it was said on a test, in a high school test. Name the Ten Commandments in any order at all, so the kid put down; 4, 1, 7, 3, 10.

And that's the Branham people in the Branham message. Quote, quote, quote and don't know the doctrine. They simply don't know it. They didn't know it when Brother Branham was living and died within a few weeks. They don't know it now.

I'm going to tell you something. You had better not just know the quotes; you had better know the Word of God. That's why the board was tested those weeks to find out; if we had a board in this church that knew a little bit about something and that goes for everyone in the pew.

That's why you talk this Word every place you can possibly talk it, and I'm guilty the same as you are. We don't do it half enough. I do my thinking; I do my talking here, that's not near enough. There's got to be a whole lot more.

36

Now listen, let's go to Isaiah, that's a lovely Book, Isaiah, that's the greatest Book in the... well, it's not the greatest Book in the Bible, It's one of the truly great books because it's all one great big Book. Okay, we're going to read 2-6.

Isaiah 1:2

(02) Hear, O heavens, and give ear, O earth: for the Lord hath spoken, I have nourished and brought up children, and they have rebelled against me.

Now, what do you mean, he 'nourished and brought up children'? Sound like he gave them corn and wine, which he did. That's true, in the cycle of nature. This sounds like he might of used a lot of manna, fortified with cod liver oil or something like that. No he didn't, he just gave them the Word. Now watch.

Isaiah 1:3-6

(03) The ox knoweth his owner, and the ass his master's crib: but Israel doth not know, my people do not consider.

(04) Ah sinful nation, a people laden with iniquity, a seed of evildoers, children that are corrupters: they have forsaken the Lord, they have provoked the Holy One of Israel unto anger, they are gone away backward.

(05) Why should you be stricken any more? You will revolt more and more: the whole head is sick, [that's where it starts] and the whole heart faint. [It gets right down in the guts. The tricky part.]

(06) From the sole of the foot to the head [now you're in the physical] no soundness in it; but wounds, and bruises, and putrefying sores: they have not been closed, neither bound up, neither mollified with ointment. [Leading your condition to the country being desolate.]

37 So, here's what we're looking at; Brother Branham said, *"That sweet Spirit of Christ coming more and more into the church until there's not a feeble one left."* Let me tell you, this Message is our healing. This Message is our life.

Let me tell you brother/sister, it's going to put us into the Resurrection without dying and it's going to get us in the Millennium without a scratch. That's why we teach; Word, Word, Word, Word, Word, and nothing but Word. And we don't do one half enough.

We could meet every single day of the week for one hour and a half and it wouldn't be too much, because you got to get your inspiration from somewhere. You've got to get your food from somewhere.

Brother Branham even said, *"You feed the Christ within."* What feeding does Christ need? Evidently he needs plenty of nourishment; like he quoted the old Indian.

The Indian said, "Well, since I got saved there are two dogs fighting inside; white dog, black dog."

He said, "Chief, tell me, which dog wins?" He said, "The one I feed most." I see holistic healing is here. The holistic healing starts with the doctrine. The prophet with the revelation that's vindicated.

Listen, brother/sister, I'm telling you the truth my life is based upon it. Oh God, I can't prove anything and neither can you. But if this doesn't tell us something; then what does? Some dead, half-baked religion?

38 I had it, as kids your age, what, even fifteen and sixteen, I was forced to join the church thank God, never took communion. You know why? I didn't but thank God. That preacher, he was the most ridiculous man I ever knew in my life. He couldn't preach for sour apples.

I'd sit there cussing God and him under my breath, and pulling the wings off of flies to have a little entertainment. I'd stay in my Sunday knicks and go down and rob the drug stores. I bought one and take out two in my pocket.

When I got old enough to be a little decent citizen, which I certainly wasn't, he said, "Son," he said, "If you're going to join the church, he said, did you ever hear anything in my message, he said, to draw you, to make you something or other." I couldn't lie.

"Well," I said, "maybe it's the spring weather but," I said, "maybe it isn't." I couldn't tell the guy I'd ever heard one thing he ever said in any sermon that meant anything because it was death, death, death.

But as a five, four year old, three year old, six year old kid sitting on the front row of the old Presbyterian church, old brother Angelo, Doc Angelo, that godly man, speaking the Truth, I

didn't understand a word, but I knew that he knew God.

39 You know brother/sister, you're not dead. There's got to be life somewhere. It's been proven to us. I look to what we have here and nothing else, "On Christ the solid rock I stand, all other ground is sinking sand." It's a holistic doctrine.

Yup, that's why a lot of us aren't being healed. I don't make a lot of healing, I can't do it, and age doesn't have a thing to do with it. Age doesn't have one thing to do with health, my brother, my sister, no way shape and form.

We can die like old Jacob, just as healthy as a coot. Just suddenly draw his feet up on the bed and say, "Well, it's time to go. Good-bye, children." He's off, gone. Swing low, sweet chariot.

40 People just don't rise to the occasion. They don't see what's here. See? How great it would be to understand His inheritance in us? And then treasure each one of us as jewels.

Brother/sister, we would not be out of line if we treasured each other as jewels of Christ, but we don't do it, now come on be honest this morning. I look you all in the eye and I got no trouble looking you in the eye. I know you like you know me. Phhhh.

We're a bunch of frauds, too much of the time. How many men cherish their wives as sisters? Phhhh. That's the laugh of the century, right even here. Little tough on you? How many of you wives treat your husband as a brother? I'm not trying to be hurting anybody.

Look, I'm trying to show you something that lies here, that we can aspire to and have by the grace of Almighty God, and somebody's going to have it. We don't have to have it. We can muck around. Sure. Mucky-mucky.

Don't see many stars, brother/sister, looking in the muck and the mire. You got to look up. What value our souls to God that He paid that price and sent a messenger?

Blessed Holy Spirit came down Himself, dealing with the prophet, to give us a break. My, what grace, you talk about grace, we don't even know the meaning of grace at this point, see, but we're going to know.

41 He said,

[57-4] *"What does the Holy Spirit fight with?" sensations? [and] feelings?* [Forget it. It's the Word.]

Now, once again we learn we are to fill the mind with the Word given by God, and that Word is given specifically in the Bible for the necessity or necessities that devolve upon you. It's not just a general Word.

No, like he said, "He who healeth all thy diseases; the same time forgives all your iniquities. Who satisfy thy mouth with good things." David said, "I've never seen the righteous forsaken nor his seed begging bread." What a great testimony.

So we're to fill our minds with the Word given by God for each necessity and every battle

and use that Word the same as Jesus did. "It is written." And believe it's ours, written for you and me.

Like Brother Branham said, quoting that boy that was dying on board ship. I forget if it was a boy or the old fellow. Anyway, I think Newton told the story. Amazing slave trader man became a man of God, said, "God so loved the world," and "Whosoever believeth on Him should not perish."

And he said, "I'm glad he didn't put my name in there or somebody else's name in there." Because whosoever means, 'anybody'. We're looking at that this morning.

42

Now what does it say here?

[57-5] *Healing Word, Word.* [That's what I said.] "*Say it.*" [He says to the congregation.] *Word. Word.* [So they answered back.] *The Word of God is what the Spirit fights with.*

In other words, that Spirit that has now anointed the mind changed your own spirit into receiving Jesus the Christ as your Savior, baptized with the Holy Ghost. Now that Spirit that is in there, a composite, composed of yours and God together, "He that is joined to the Lord is one Spirit."

And I always ask the question: "Did your spirit make God's Spirit dirty? Or did He make your spirit like His?" You got your pick and you got your answer. Now that Spirit begins to move out and when it does it always moves with the Word.

Now the channels which received through the senses are now to be used for the Word. Stopping those channels from anything but the Word, then transformed by the Holy Ghost, the Word comes forth in power. That's how you saw Brother Branham.

Now you got a real Christian, brother/sister. Now you got and we better circulate that in the church here, that prophetic writing of Brother Branham's in Spoken Word is Original Seed, because somebody, which is the Bride, is going to be there with it. Now, remember, it must be the truly revealed Word of God.

43

Now let's watch it. In,

Matthew 15:6

(06) And honour not his father or his mother, he shall be free. [That's their creed and their dogma.] Thus have ye made the commandment of God of none effect by your tradition.

Now, what is he saying here? Tradition destroys the effect of the Word. Then what if you and I by the grace of God get a truly revealed Word, nothing can stand before it. That is what the prophet is trying to tell us.

And that's what this Message is trying to tell us, from 'Perfect Faith' on. The perfect faith of Hebrews 13:8 dynamizes every Scripture that comes under the covenant of promise of God to you and me for our good whatever that good should be.

44 Broken limb, oh, look, my heavens, way back in the days of old Fred Hardy, no Fred, that's his brother had a lovely daughter, two lovely daughters. You know, one day, he was a Roman Catholic, got full of the Holy Ghost, became a Pentecostal, wonderful man of God, in Saskatchewan, Canada. And that little girl broke her leg and you could actually see the bone had come through.

And she said, Well, Daddy, you've preached healing all this time."

She said, "I can't go to a doctor. I don't think that would honour God." And it was icy outside the church. They prayed for that girl. You couldn't see one trace. Not a break on the skin, nothing. X-rayed the bone, there was no break. See, the dynamization, brother/sister, is what counts.

Now that is a minor compared to immortality. But where do you change the Scripture that says, "If God spared not his own Son but delivered him up for us all, how shall he not also with him freely give us all things".

We're a little stagnant here. We're slow building. We're going to get there though, don't worry. We're going to get there. We're getting there. You're piling Word upon Word.

45 Let's go to Proverbs 28. Psalms, Proverbs, the little book after Psalms, if I can just get my Bible apart here. Let's see what did I want here? Twenty-eight, right close to it now. And the 9th verse,

Proverbs 28:9

(09) He that turneth away his ear from hearing the law, [or the Word] even his prayer shall be abomination.

Now you're getting to the holistic approach. Well, I'm going to the doctor, and I've got problems, and the doctor says, "Well now, look, I got news for you. I can't heal you and the body heals itself. So what we got to do is take some time to build your body up, then you won't have your trouble anymore."

So, my goodness me. Hmm, I didn't think it was going to be quite that way.

Now the Bible says the same thing. The holistic approach, the whole revealed Word of God and with it are these in Hebrews 3:8, lies Mark 16 and the other Scripture and God is saying to you and me, "Look, you believe that Word of this hour and when you thoroughly build up the inside to the outside you will receive the benefits that lie in It."

We say now, "Lord, Hallelujah, Jesus, we just like to take a little detour here, shortcut rather, I want this thing to happen to me. I really do. I believe I can have it alright. But I just don't see this other stuff."

You know that's not going to work. It's not going to work. So you listen again now, I'm telling you. Talk this Word. Make sure you're into this Word.

46

Let's go to Matthew the 7th chapter, let's go see something here that's very, very, vital. Brother Branham exposed this as perhaps the greatest exposition of his entire ministry of warning.

Matthew 7:21-23

- (21) Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven.
- (22) Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name [cast out devils] and in thy name done... wonderful works? [and he doesn't say, they didn't.]
- (23) And... I'll profess..., I never [ever] knew you: depart from me, [you] that work iniquity.

How can you say 'iniquity'? You are supposed to stand there to see the sick healed. You are supposed to cast out devils. You are supposed to speak in tongues. You are supposed to prophesy.

It is incumbent upon you, as the prophet said, *"Every church should have all nine gifts administering."* How can that be iniquity? By being off the Word, the same as Cain was, sacrificing apart from a true revelation.

47

Now brother/sister, when you and I get truly holistic in this message, so well, it's ecumenism, no problem, understand idolatry. There's the three gods. There aren't any three gods. Understand how God deals in the end time, He sends Elijah.

You begin to inculcate into your being the doctrinal truth, then and only then are you in a position to move to the exterior and be a wholly qualified child of God.

And then in that day say, "I cast out devils." "Yes, you did." It's true, true. "Come in my beloved servant..." while He casts out many others who never made the grade or the mark. Now that's what you're looking at.

48

We must become thoroughly holistic. Our approach must be what it is. See, we wrestle not, my brother/sister, with flesh and blood. That's true. Yes, I'm quoting, not Brother Branham, I'm just reading my own notes.

We wrestle not against flesh and blood and what it produces but the spirit that gets behind or motivates that flesh and blood. Brother Branham had his problems with that. Don't tell me, I know. I never forget as long as I live, it's before my eyes right now.

It was in 1958, in Maine; in Portland, Maine. In the month of May, close to the 30th, heading down towards the end as I recall. We turned on the TV to see Oral Roberts; there on the screen was the crowds of thousands.

And Brother Branham looked at me and wept, he said, *"See, Lee, I could have all of that but God doesn't want me to have it."*

Where's Oral today? Held hostage by God for four million dollars; it's the laugh of the century; God holding a man hostage for four million dollars. Who did Oral Roberts hear from? I wonder

I'm not here to run the man down; I'm letting you know something, brother/sister. Something is radically wrong out there. The prophet knew.

49 He said to his wife one day, Sister Meda, they came home and looked at the hardwood floor the guy had done a lousy job on his house, I wouldn't be in that man's boots on judgement day, Brother Branham came back with a \$25,000.00 offering from Canada, a love offering, they just gave him gratis up there in Calgary. I think it was Calgary, Alberta.

Said, "Brother Branham, you could have this for a house." He gave it to a man and said, *"Here I've got money for a house. Build me one."*

You should have seen what the guy built him for \$25,000 bucks. When Banks Woods pulled apart the porch there weren't 2 x 4's, Pete, there were 1 x 4's. You talk about a mess. The hardwood floors were pulling apart.

She said, "Bill, this is just terrible, the way things are. Dirt get in the cracks and everything else."

"Well," he said, *"Meda, if I did what the others did, made the gift pay, we'd have it a whole lot better."* I heard him talking.

A friend of mine had a furniture factory and lots of carpeting and things and I said, "Harry, you love Brother Branham like I do. What do you say we try and put carpet on his floor?" So Harry and I took a trip down there and began measuring the floor and Brother Branham said, *"What's going on? What's going on?"*

I said, "Brother Branham, it doesn't cost you anything? This is a gift, put new carpets on floor if that's what you want." That man never saw the message but you know, don't sell him short. There is such a thing as a second resurrection, where they come up. Yup.

50 All right.

[57-5] *The Spirit of God walks right up to the devil and said, "It is written. " Amen. "It is written." and the devil [goes] away.*

Now can we accept this as truly factual? Brother Branham had a vision of the serpent. The Word of God crystallised it; made him go up, like in blue smoke, just shatter.

Then he said, "Bring him back."

In other words, we're looking at something here. You and I are going to have testings and trials, but we can overcome them one by one and get stronger thereby and the devil does not need to defeat us, because he himself is a defeated foe and a bluff. And that is exactly true.

51 So to know the truth of the doctrine, to stand with THUS SAITH THE LORD, to come against what is known as human intelligence, and even human integrity, because these men that cast out devils, in majority, are honest sincere people. But you cannot depend upon human integrity.

Today we have the option of going that way or believing divinely inspired and vindicated Word. I prefer the latter. I don't say I've got it down pat; you're not looking at a paragon of virtues here. No you're not.

I admit it's not for no reason at all they say, "You don't look at Brother Vayle is flesh, you look beyond him and see the gift."

I don't like that thought, because I'm not really that bad of a person, in the sense that I'm out there whoring around and trying to cut a rug and mess people's lives up, which I'm not, or trying to lead you astray or take you into bondage.

I've never done it and I never will. But I tell you it's the truth; the flesh isn't up to much. Thank God it's getting weaker where I can't be quite as sinful. If you know what I mean, I have never drunk or smoked in my life but you could be even less now; run around and chase around.

[57-5] *What do we do? Take the Sword, which is the Word of God, [and] pull It with what? A hand of faith, strong hand of faith, [that] two-edged Sword. [In other words, 'the vindication theorem'.]*

52 See, now look, you haven't memorised and I haven't either but it's working on me. Thank God it's working on me. Let's go back and read... How much time we got, son? Not much time. Oh well, we got, maybe, a couple of minutes. Okay. I'll read it to you and then we'll quit. Okay, here's John again.

I John 1:1

(01) That which was from the beginning, which we have heard, which we have seen with our eyes... looked upon,... our hands have handled, of the Word of life.

Moses did not have that. He had this. Paul did not have that. He had this. And Paul was a greater apostle than any. And Moses was the greatest prophet that ever lived. Never handled it. Saw by vision the Pillar of Fire. Talked face to face. John handled. He said,

I John 1:2

(02) ...the life was manifest[ed]...

There it is again. You have seen it. There it is again. And there witnessed. And there it is again. And show unto you that eternal. How? By telling them. You see with your ears, my brother/sister. You do not see with your eyes. When it comes to the gospel you see with the anointed ear. Okay.

I John 1:2-3

- (02) ...[which] was manifested [onto us;]... [that Logos, what, that we have seen and heard declare unto you. We thoroughly explain it.]
- (03) ...that you may also have fellowship with us: [Now what fellowship did they have?] with the Father and his Son.

53

Well, they said, "John, here's the beautiful thing about it, you know, I've got fellowship with the Father and it just may be I'll drop your name to the Father." Now, that's very good for American puffed up society; that doesn't go with the Word.

He said, "I want to introduce you to Him and get you to know Him the same as I know Him". You follow what I'm saying?

Now listen to me, brother/sister. It's God's truth this morning. If I don't have **THUS SAITH THE LORD**, I've got **THUS SAITH THE LORD** here, that if you and I believe Brother Branham, we enter into the same fellowship by believing the Word.

I never saw the Pillar of Fire; flared across the wall, in his front room as I sat there with Brother Branham and Sister Branham.

He said, "*Do you see it, Lee?*"

And I said, "No, Brother Branham, but I see the man who sees it."

And that little statement right there brother/sister, will carry me all of my life, because it was the right thing to say. I am not interested in seeing the Pillar of Fire. It would be nice if I did, but I'm not interested. I want the Bible, brother/sister, what's for me.

54

And John said, "What I tell you about you can have too." Not to handle him, not to see him, but to have fellowship. This then is the Message: "We heard of Him and declare unto you, that God is light and in Him is no darkness at all. And if we walk in the light we have fellowship one with another."

In other words, my brother, my sister, the thicker you and I get in this Word as is brought from this pulpit because I am ordained to do it. You will begin to enter your fellowship. I've tried to tell you for years and I'm telling you again. Do you want it or don't you want it?

Let me tell you this, this will help you. We have people walk in here, and I say, "Is this spirit the same as you got in your church?" and they say, "No." If a sister can walk in this church after three services, no longer crying, no longer is nervous, is no longer sick, isn't that right Carol Sue, it's not the same anymore.

Tell me what's doing it? Not Lee Vayle! He can't even do it for himself. It's got to be one thing; it's Word, Word, Word, Word. And anybody, a doorknob, could preach this same Word, if it was anointed to him. We got you people here sitting as living witnesses. What did it?

It's only one thing doing it and that's the Word of God that's filled with the Life of God,

proving the Bible. Let me tell you, let us stand with this, it is passive, passive, passive. Let it din in the minds, get down in there until our prayers are no longer an abomination, but giving back to God what God gave us.

As Brother Branham said, *"The Bride ministers to the husband what the husband provided."* And so it becomes a Bride Church, brother/sister.

55

Well, you learned a couple of things in two messages. Basic is number one, passive faith as contradistinctive to active faith which is the same faith merely number one as Hebrews 13:8.

The other is what you stand on as individuals, but you see how important it is for the church to get together, brother/sister, as never before, not to hinder faith and not to hinder the things going on but absolutely to facilitate it.

God help you this morning, and God help me. People here could be healed, people could be blessed beyond measure, just to simply stand with the Word of God until we're saturated from the innermost to the outermost, the holistic approach.

When you see what happens to people, just even one person coming in, one person right with God, and away from the obnoxious things of this world, and it's worth a thousand million years. And we've had no sacrifice in doing, we had nothing but sheer joy and pleasure.

Still we've ranted and raved at times as though God were not a good God. It's time to get down, brother/sister, to reality. I'll keep saying it until one day the precious Word of God turns loose within my heart and your heart, because we're getting out of here.

We're not getting out of here as though someone could not be in our arms and in our heart to go with us. We're getting out of here with treasures; the same treasures that Jesus came for, that we might know the richness of His inheritance in the saints because we are that inheritance.

You see Jesus Christ formed informing. It's hard I know, you can't look at me too much and get too much of Him but if you listen to the Word and put a mask over my face or hear me over a tape.

Stay away from me entirely or you might begin to see something in the Word that's not of Lee Vayle and begin to understand. Because it doesn't matter what he's got in the sense of what he is, that isn't it. It could hinder God, that's true. But a pure Word is what we want.

Let's rise and be dismissed.

Gracious Eternal Father God, we thank You again for love and life and all those things which are in Christ Jesus our Saviour. As we begin to see this as never before, but Oh God, the more we see the more we lack, until we wonder what we have seen. How can we see infinity? How can we see greatness, Oh God?

You never made us that way to apprehend it all, for no man can see God and live. But yet we can see in Your Word, Lord, as You reveal It to us. Then, Oh God, we can grow in this

Grace and this life which is in Christ.

Father, this morning, we pray, we're not only stirred up in service this morning, stirred up tomorrow and the next day, and the next day and the next day, Oh God, until the gentle breezes of life turn into the hurricane of Almighty God sweeping all the debris and everything away like a hurricane going over water, takes all the water to one side and swooshes it all back on the other side, leaving nothing as it were there, Lord.

As You pass over us, pass in us, around about us, take away debris from this side, take it away from that side, Oh God, until nothing is left but what You Yourself can breathe upon, Lord, and use. As Your own Word said, Everything is going to fall at this time.

This Voice speaks, this Voice from heaven speaks on earth here in the Seven Thunders all those things, organisations, denominations, man's creedal instincts and thoughts, all those things are going to go down, and the Word of God remains. Oh God, in our hearts we want it.

Lord God in heaven, we ask You humbly this morning, will You just be so good to as to imbue us this morning with power. Just even a little bit, Lord, just a modicum, Lord, just a little tiny bit of dust, as it were, to just have a taste, Lord, and want to go on more and more with this whole system denuded of all that is in there that's against us, Lord.

We don't want us to be... we don't want to be blind, Lord, as though we can't see, tongues that can't taste, ears that can't hear, Lord. But we want them, Oh God, under control of Your Word.

So as Paul said, "I've been crucified with Christ, nevertheless I live and yet not I but Christ lives in me and the life that I now live in the flesh I live by the faith of the Son of God who loved me and gave himself for me."

That's what we want for every single person here this morning, Oh God, every single man, woman, child, we don't care. We don't worry about names, position, or anything else. We just worry about people, Oh God.

And I pray, Oh God, this morning, an account has been given unto You for the people's souls, Lord God in heaven, and it's with rejoicing, Lord God, rejoicing on that great day, the great day which is even now, because time and eternity are running together.

Become more and more into Thy fullness, Oh God, the fullness You have for each one of us. I don't know how to express myself, Lord. I only know one thing, and I know the people got only one hope; the same hope I've got. That's the spirit within us praying with groanings which cannot be uttered, reaching through, Oh Christ, to You.

Now man of God who died and rose again as our Intercessor, hear the spirit groaning within us today, directed to You, pass upon it, grant our request, more like You day by day, more Word, more Word, more Word release the living, until the life is of Christ.

Bless our people, Lord, as they are going home, give them safety in journey, Lord, well being, Oh God, leaving here, Lord, changed, in the very concepts of the mind going down to the very atoms, Lord. Father, may not one of us miss the Rapture.

May not one of us, Lord, have any ill feeling toward anybody. May we just stand with the

Word and declare that Word impassionedly as the great Judge because that's the Truth of It. Let the Word judge, Lord.

Let us stand with the Truth today. Father, unto Thee we commend and commit ourselves in the name of Jesus Christ we pray.

Amen.

'Take the Name of Jesus with you.'
