

Seed Of Discrepancy #13

Being Accepted By God; Denying God's Sovereignty
June 18, 1995
#2195

Brother Lee Vayle

Let us pray.

Heavenly Father, we know that You are here in a great Pillar of Fire somewhere getting ready to bring forth the Voice that will bring the dead out of the ground, having brought forth the Shout which must come to a full harvest.

And we trust that it's coming to that full harvest, that... this Message is making ready the prepared Bride and she's got on the garment of the Word and Brother Branham said, "*I believe I've come to dress a Bride, to find that one in the waters of separation.*"

And we have come out and stood with Your Word Lord, we're depending on You now, and depending on the blessed Holy Spirit to give us strength and help, quicken our minds and we may receive great good from the service this morning.

You know, and I know that I haven't really prepared as I should, there are thoughts in my mind Lord, and... I'm a very lazy type of person, too careless I know, how about You forgive us and remember the people here, they're the ones that need it.

So we just pray Lord, that not so much for the vessel but pray for the Word to come out of the vessel for those that love Your Word, love Your promises and stand by grace in this hour. We give You the praise in Jesus' Name,

Amen.

You may be seated.

01 Now you know we're in the Seed of Discrepancy and the time before last when I brought the message, I started on page 9 and Brother Branham said,

[44] *Now, as I've said, Judas had no real faith.*

And yet, we know that Judas, by the power of God, healed the sick and perhaps, even raised the dead. And... until he got thoroughly dissatisfied, overcome as the devil overcame him, I'm sure he had a very glowing testimony.

And the point is this: why would he not have a glowing testimony concerning what God did through Jesus Christ because it couldn't be denied?

02 The same thing with Brother Branham, even today they will admit that he had a ministry that's comparable to Jesus Christ.

There are those that saw him and they had to for conscience sake, talk about him. Some even for conscience sake, because they know he's vindicated will bring a message and they don't even know Who came down.

The Lamb came down? Where's the nail prints? Where are the prints in His hands? See, it's... Brother Branham was bucking an impregnable wall of discrepancy, which is the Word of God perverted. See?

[44] *So, Judas had a make-believe faith.*

See, make-believe faith: well, make-believe faith is not a real faith. It's a counterfeit. See? So, therefore, he never had the true passive faith of the revelation of Jesus Christ.

Nor could he get it; in his dying moments of suicide, he said, "I've betrayed innocent blood." That's as far as he got. Innocent blood: he knew the man, was a good moral man.

He knew he'd been anointed of God and done great things and couldn't put a finger on Jesus. But he says, "Innocent blood."

He never had a clue to the Lamb of God. Well, you can't fault him too much because after all, the rest didn't either.

03 There are so many strange things in Scripture that people believe today that just make me wonder, "Hey, do they know how to read?"

It's like Luke Gingrich said, "You've got these guys with diplomas coming out of college can't even read and write."

Or you got people in the Bible here they been taught a pea's, a carrot for so long, you'll never change them. You won't get them away from Trinity.

Because they say, "We believe in one God." One God? Three people? Why, if a man had two wives they'd call it bigamy, or might call it trigamy.

I don't know. Triunity? Trinity? Language has lost its meaning. I will show you that as we go down the road.

Now, he said, as Brother Branham's ministry was truly an apostolic ministry; he had to be fought, because if God is going to use one group of people or a person to show forth the reality of the living Word, by which I mean, healing and these other gifts are in the Bible, they have got to disprove somehow that this man is right because that makes them wrong, if he is right.

04 As this guy said to Brother Branham, he said, "Brother Branham, I admire you but I'd like to straighten you out."

"Well," he said, *"there's no better time than now because I want to be right."*

And so he said, "Well, what you're doing, you're trying to introduce to a world an apostolic doctrine." And said, "The apostolic age ceased with the apostles."

Well, well, well, well, well, I wonder if that guy knew the first thing about the Bible. I don't think he did. Let me just read to you; if I can find it. I can find it, don't worry, it's here.

Hebrews 3:1

(01) Wherefore, holy brethren, partakers of the heavenly calling, consider the Apostle and High Priest of our [confession], Jesus Christ;

Did you hear what I said? What is he... called before he is called a high priest on the earth? An apostle, right? Has the age of Jesus stopped?

This man calls himself a preacher. Well, he is a preacher. I know who anointed him. I know who his boss is. I know where he is going.

You say, Brother Vayle, you shouldn't say those things. Listen, judgement has set in and the Bride has been declared righteous and nobody else.

I didn't do the judging. I'm not vindicated. I'm not a Pillar of Fire. I'm not William Branham. But I can say what he said. This man is a seed of discrepancy.

05

[48] [So when Brother Branham showed him; Peter had the keys,] *said, 'Men and brethren, what can we do to be saved?' 'Repent, every one of you... And you can receive the gift of the Holy Ghost.*

He said, "How can the Word contradict itself?" The man said, "I have an awful cold tonight." [And Brother Branham said,] "I think so, too." See?

[49] *Now you tell me, is God still calling? If God's still calling, then the apostolic age is still in existence. Certainly! As many as the Lord our God shall call, ever call, ever will call, as many as He shall call, it will still be the apostolic age...*

Do you understand apostleship and high priesthood go together? You don't say, "Well, now the side of Jesus, the apostle and it will run out, and this side over here is the high priest and that will run out."

Well, there is a certain truth in this respect, all of those that are truly born again in the apostolic age, they'll be in the Millennium, temple worship, and I have no doubt, that Jesus will be the high priest, whether God's incarnate in Him to His fullness, don't ask me, I have nothing to tell you.

Millennium is a great mystery, except I know that when we leave here we're going to go on with God; what else would we want to do?

06

If in this hour, in this age, Brother Branham said, "*Some of the mysteries under the Seven Seals and these Thunders take us back before the foundation of the world.*" Where do you find in Scripture how that God gave birth to His Son? "This day have I begotten thee."

And again when He raised him from the dead, he said, "I've begotten thee from the dead."

The only begotten Son; he's the only one that God begat.

Then they made Adam and Eve, gave them two spirits, essentially one was a female, and one was a male, within one body, to be separated later on for propagation.

Brother Branham said, "*Sex was absolutely for propagation.*" When God breathed into Adam the breath of lives, Eve was a part of Adam.

You don't find God breathing into her. They both have the same life. A woman's soul is no different from a man's soul, as far as I am concerned, it's her spirit.

I don't... in my Bible saying a woman's soul is different than a man's soul. Anybody can find it; I'd just love to have you show me. See?

07 So you can't go by hearsay or by your own thoughts or by something that's metaphysical. So there's an apostolic age going on.

And in the sense that as an apostolic age that brought this, it will still go on, it won't terminate, in my understanding, I'm just throwing some thoughts out, that is to say, the continuity of the Spirit, what God was doing, though He may not do these things, that we are seeing in the Bible here, going on to a higher level.

My, I wish I was a faithful servant. Because I'm one of the five-fold ministers; I teach a little bit, Brother Branham said right, "*I've got a little tiny gift.*" But he flattered me, compared to his and I like flattery, makes you feel good at times, made me feel good.

And temple worship, Brother Branham said, "*That once you are what you are you always will be.*" He said, "*The witch of Endor called up old Samuel, there he was with his long flowing beard; he was still a prophet.*"

Don't you think William Branham will still be a prophet? You say, "How's it going to fit in?" Who cares how it fits in. Forget it.

08 Elijah didn't care how somebody bought him a... no, he didn't bring him a ham, some people said, "The crow's stole a ham."

That's a lie because Elijah wouldn't eat pork. He might have brought him bread, fish, and stuff. What did he care how it got there?

Like the little old lady, she was religious as all get out. She's not just religious, she's a good Christian woman, widowed, by herself had no money, but she prayed every day for food and sustenance.

Some kids came by one day and heard her praying to God for bread. So they said, "Let's have some fun with the old girl."

They went downtown and bought a loaf of bread and threw it in the window. And she said, "Oh, thank you, Jesus, for the bread, thank you, my God, for the bread."

Well, the kids didn't quite like that; they knocked on the door and said, "We bought the

bread.”

She said, “Son, I don’t care if the devil brought it; God sent it.” That’s maybe going a little too far... you can carry that too far.

09 [50] *Now today we find... this discrepancy...*

Now the discrepancy means there’s something missing. There’s a difference. And the difference could be having taken from or added to.

So Brother Branham calls this ‘the seed of discrepancy’ and the seed means it’s ‘a literal person’.

Now before I go further, I got to go back to the last message I preached because I know I left some wrong thinking. And I should not have used the term as I did use it.

Brother Branham mentioned that God is the Word and the Word is a seed. And I carried it too far back to where my pronouncement was ‘God Himself is a seed’.

No, God Himself is not a seed; He’s a seed bearer. See? He’s the Creator. So, I blew that one. Mark it out of your minds. See, we’ve got to correct every error as we go along.

10 Another error I made, years ago I read a book about the ‘Tower of Babel’, the tower that built to the skies, is supposed to be an eleven acre round circle with an obelisk in the middle, twelve signs of the Zodiac and the scholars all said, “They knew better than to try to build a tower to heaven, they were too smart, this is just... they got off track.

Because the Bible was written in the heavens first, you know the signs of the Zodiac.” Brother Branham doesn’t say that, so I got to take that back. Brother Branham gave several reasons why they built that tower.

And what I forgot was this: that all the smart brains died by the time Nimrod got there. They didn’t understand nuclear fusion and bombs and things they had back in Noah’s day, that brought on the Great Flood.

They didn’t know those things. In their hedonistic mind, but they did know there was a flood. So they were going to build a tower so high that if a flood came they could escape.

Another reason was they built the tower was so they could face God. Brother Branham also brought out it’s a type of organisation.

And he also brought out it’s the reverse of Jacob’s ladder, with angels descending and ascending. They tried to make their own ladder and a way to heaven.

Now there’s about five or six pages of quotes, you can get them yourself, but I’ve cleared the record. I don’t believe the historians.

Phooey on them, they’re a bunch of idiots. I believe Brother Branham. If he said it; that’s it, because we must remember, he was a historian. Paul never was a historian. No history. He was a theologian, a true apostle, teacher from God, taught by God Himself, face to face in

the Arabian Desert, or wherever he was. See?

11 But you go to Moses, it's credited that Moses wrote the book of Genesis. Where did he get his knowledge? From the Most High!

And you'll notice that knowledge is a peculiar knowledge, just what God wanted to give us and nothing else. There's a lot of links missing.

So that obelisk and that thing on the ground, I don't care two bits about it, the same person that wrote that, wrote the book about the Nephilims being angels that came down, bad angels that got into bad men, pressed themselves into human flesh and they had these children which were giants.

That's a lie from the pit of hell. The giants came from Cain. So you see, I can give you wrong information, but you can also see, I can take it back.

So I don't want anybody... I don't want to fool anybody. I got to preach to the best of my ability, clear as I can this great Word of God.

12 [50] *Now, you said, we find today... this discrepancy has been sowed through every age.*

Every age they denied the apostolic ministry. See, they couldn't produce it. Right, you know, it's at the end time the false anointed ones come.

Now, there were a few... history proves, that there were a few men who spoke in tongues and interpreted. Brother Branham talks about Saint Martin and these men: Saint Patrick; godly people. The gifts were among them.

Irenaeus said "There's hundreds of gifts in the Bride." And I showed you how that was in Romans 12, just being a cheerful giver, forgiving people happily, showing forth good works.

There's not one of you here today that's born again, a seed of God that doesn't have within it and within you the potential, no matter what you think, to bring out what is in you and to be natural.

See, I know you think and it's true, that the five-fold ministry has to study. It does, but you can study day and night, you can lay the Word of God out like nobody else ever thought of doing it; a hundred percent wrong.

There's something that goes with it called, the anointing. And that man who gets in that pulpit better have his anointing ahead of time because it's the teaching; that's what the anointing really is.

13 So we have the end time, worse than ever.

[50] *If it was possible to get it done in the next ten or fifteen minutes, I would do it, but you can't.*

That is the show, it's every age. Just study your history; you'll find it. The Pentecostals did; they went through the books.

They went everywhere to prove their point; that tongues was the evidence. All they did prove was; somebody, somewhere, sometime, was speaking in tongues. People were being healed.

Like I told you about holy Anne up in Canada. How come she could drop a bucket into an empty well and bring up water? This was God's truth, I'm telling. From way back I've known of it. I'm sure I wasn't lied to; the history is still there.

Sister Bosworth had no money; the gas ran out. She prayed to God, clunk, clunk, clunk, there was two bits in the meter.

Was it stuck there? Oh, stuck there, no it went through. Who cares? Always want to ask questions. Questions, questions; my God, have pity!

Have faith in God. I'm like the old lady, I don't care who brings the bread, as long as I got it. Just don't bring me any cake please, because I'm off of sugar.

In fact I went so far as to have a cup of coffee this morning and I'm off of coffee, to see if my head would go clearer, it cleared me for five minutes so forget the coffee. I'm hazy again, but that doesn't matter; that's beside the point.

14

[50] *See what I can do... in the next fifteen minutes; I'd do it... Down through the ages... most all of us read the Bible. And now like when Jesus came, and He found that discrepancy...*

What discrepancy? The departure from the original Word and adding to It, taking away what they didn't want and adding to It.

Do you know that they got so bad they actually would weigh the metal... the nails in their shoes so they weren't carrying too much weight?

They'd be working. They criticised Jesus for healing a man on Sunday. He said, "Just a minute, if your neighbour's ox falls in the pit and you don't pull him out, what kind of a guy are you?"

Now, what's the matter with you fellows; here's a man, a son of Abraham, seed, he's here for healing and he's got it. And you're against it.

You know your own Bible said, "I am the Lord that healeth thee." And you're trying to make it the devil, just like Church of Christ and some of them are the loveliest people, the Church of Christ.

One man fooled me so completely, he's the Church of Christ preacher; I never got to know him, except talking in a furniture store.

Never found a lovelier, sweeter spirit, but if he says the devil heals, he ain't going where I'm going. You say, "Brother Vayle."

Don't 'Brother Vayle' me. Listen, this Word has been proven. So shut up and sit down. You're not fooling with a imitation God.

15 Do you realise Jesus was actually the image of God? Adam was made in the image; Jesus is the image. That means anything here we know will come through Him.

He's the One you'll see. He's the One that will be on the throne. That makes me happy. If I can just be a friend standing by; that's going to be good enough for me.

[50] *And now like when Jesus came, and He found that discrepancy, contrary. To what the real Word was, you see?*

He was the Word made manifest, Now watch! He was the Word made manifest, He was God's interpretation of the Word, because He said, "Search the Scriptures, for in them you think you have Eternal Life, and they are they that testify of Me."

Now, they couldn't have possibly known that, unless Jesus was the fulfilment, the manifestation and thereby the interpretation.

16 Now that goes for John the Baptist. "Who are you?" "I'm the voice of one crying in the wilderness. I'm Isaiah 40 come to life.

I'm Isaiah 40 standing right here in flesh." "Oh, John, who, who, who, who. Oh, that's carrying it too far. Who, who, who; that's carrying it too far."

I look at these people that say, "Yes, I believe my soul came from God." And I listen to how they talk. Yeah. There are those who that go, "Oh yeah, my soul came from God."

Watch how they interpret Brother Branham's Message. Write books on black holes and everything else. Send their kids out to play ball on Sunday.

You hear what I'm talking about. Yes, you're my congregation this morning; I'm talking to you. And I'm talking to me.

You couldn't hide from that man if there was fifty thousand sitting there, or five million. Do you think you can hide from God this morning?

Do you think Lee Vayle can hide? Do you think He doesn't know my thoughts? You think He doesn't know my real heart?

My real intentions? You're badly mistaken if you think He doesn't, because He tries the reins of the heart and says, "You don't even know Your own heart."

17 So there stood William Branham and they couldn't deny it. A man even wrote a book, A Man Sent From God, stole fifty thousand bucks from Brother Branham.

Dying of carbuncles, Brother Branham had to go and pray. He still didn't understand who Brother Branham was.

Do you know this morning, the knowledge you have from the Most High God there's not one in a million have got what you got have this morning? One in millions. It's just like Brian told me the other day.

He said, "There's three percent of all the Norwegians go to church and there's not even one percent of that three percent that believe this Message when they do you ought to hear what they say about It."

Everybody comes by and they believe what the guy says. Open door, open minds; take any old garbage.

Jeffersonville is no better; they call the Presence 'garbage.' Why do they come and debate with me? Why don't they come and give quote us for quote?

If you don't know Who came down with that Shout; I got news for you, Brother Branham said, "*The same One who didn't trust anybody but Himself to come to Adam and Eve, the same One came down and there's His picture.*"

Who came down? And there's His picture. So who came down? Elohim came down. The God and Father of our Lord Jesus Christ, oh yeah, come down here to set the church in order.

You know that? Let's go look at that. There's something I never thought of the other day; I've been criticised, even what I consider my best friend in the flesh, said, "Lee Vayle, is a dangerous man to listen to."

Yet he doesn't have any trouble talking about the prophet... anything he wants to talk about. I don't begrudge him, hey.

I'm happy, on this grounds, Brother Branham said, "They won't want my gift." If they wanted what I got; then Brother Branham would be a liar. You'd never catch him in a lie. All right.

18

Now listen, here is what it says in Ephesians 4:

Ephesians 4:1

(01) [Paul said,] I therefore, the prisoner of the Lord, beseech you that [you] walk worthy of the vocation wherewith ye are called,

Now, who said that? What apostle said that? Huh? [Someone answers, "Paul."] Paul, thank you. Now, the same Pillar of Fire that brought the Word to Paul came and revealed It to whom?

William Branham. So all right, who are you listening to when I read this? You're listening to God and you're listening, you've read it from one man and you heard it from another man.

And it's got to be identical. Right? Sure, it's got to be identical. Don't you dare change one Word.

So, since the truth of the Pauline epistles has been decimated, desecrated and made into discrepancy then we'd better heed a vindicated man who takes that Word and tells it to us and doesn't change It. So, all right.

Ephesians 4:1

(01) I therefore, the prisoner of the Lord...

You think Brother Branham wasn't a prisoner of God? Why did he tell you he's like a man fitted into a pipe. Like a strait-jacket.

All his thoughts were of God. You think that he could tell you something that wasn't of God? And God answer back?

No, no, no, brother/sister. Let's get the integrity of God straightened out here. God's no liar; He's no fool.

Ephesians 4:1

(01) I... beseech you... walk worthy of the vocation wherewith ye are called,

That word 'vocation' means 'your true calling'. Your calling this morning is to be a Christian, to walk like Christ.

Your avocation may be that you're an engineer, seamstress, it doesn't matter. That's just what you live by, physically. We live by the Life of the Word of God.

19

Now,

Ephesians 4:2

(02) With all lowliness and meekness, with longsuffering, forbearing one another in love;

Now when you forbear; it means you don't do what you would normally do. Somebody gets you into a tight corner, and you've got problems, you should bear with them.

That's what I like about Frank Proctor. That's why I love the boy and I want solemn prayers for him; I certainly trust that he is... lays aside everything.

He told me, "Lee," he said, "I've wondered about what you're saying for twenty-five years," he said, "It's too much like a sideshow, I'm glad you told me." and he said, "furthermore...

The spirit of the prophet is subject to the prophet." That encourages me. I'm a great guy to get enthusiastic.

I remember years ago, a woman, a girl said to me, "I sure love you way you are," she said, "you can get enthusiastic even over an ice cream cone."

"Yeah," I said, "because I don't get very many of them." I've very enthusiastic and praying.

20 Now,

Ephesians 4:2-3

(02) ...in love;

(03) Endeavouring to keep the unity of the Spirit in the bond of peace.

In other words, the unity in the church teaching amongst the believers should be accepted by everybody but it doesn't mean it will be.

You might not have a pastor here, I don't know. My days are numbered; you know that as well as I do.

Why... how I got the strength to preach this morning, I just came over, it wasn't the cup of coffee, don't worry. It tasted good.

But it wasn't the cup of coffee, don't worry. The thing is, you can have some differences which you shouldn't have and keep your peace.

But you'll find people want to spread their junk, especially behind my back and then tell me they don't agree with my teaching.

Yeah, I don't care if you agree or not. How are you going to come against the Word... the prophet of the Word, that told me, his gift was like mine, he flattered me, of course.

You think God's going to tell me something contrary to the prophet? You think that Word won't correct Lee Vayle? That Word won't correct you?

The Word corrects the error. I had some errors; I brought it out and showed you. I've got nothing to hide. If I was going to hide something; I'd of hidden my nose years ago.

21 Now it says,

Ephesians 4:4

(04) There is one body, and one Spirit, even as [you] are called in one hope of your calling;

In other words, everybody has the same earnestness, the same set before him, on the common level. Now if you're not called to be a teacher; why... don't butt your nose in and pretend you are.

Get on the road and show you can do it. You say, Brother Vayle, why would you say that? That's what the prophet told me.

Get on the road and I did. And I got in the road, too, I guess. But that's par for the course. See, you've got one hope of calling. What calling is that?

The called: the elected. Well, let's just take a little peek. Sheep are sheep, right? Pretty hard to mistake a sheep from a sheep, though they might be a different colour, different horns, different sizes; pretty hard to mistake, but they're sheep. That's what Paul says here.

22 Now let's keep going.

Ephesians 4:5

(05) One Lord, one faith, one baptism,

Now of course, to me that one faith is that 'common faith' which I call 'passive' because he talks of being one mind.

Ephesians 4:5-6

(05) ...one baptism,

(06) One God and Father of all,

I want to ask you a question; was Jesus really the Son of God? Certainly. Certainly. No two Gods; one God. Go to your the Scripture: "Blessed be the God and Father of our Lord Jesus Christ." We're companions with him.

And He stands in the church and is not ashamed, not ashamed of David, he's not ashamed of Solomon.

Solomon with all his wives and the glory of God in the temple, as a young man, given this wonderful gift, the world fell at his feet.

And his wives turned to a type of heathenism. You know that staggers my mind. I believe Solomon is going to be there, ordained of God;

23 David will be there, a murderer, absolutely, knowingly committed murder. You think David has lost his stature as the prophet king? If you have: I've got news for you. You're wrong.

Romans 4:8

(08) Blessed in the man to whom the Lord will not impute [iniquity.]

Doesn't say He doesn't do it. "*Little Bride, you didn't even do it, you got trapped into it.*" All right.

24 Now listen,

Ephesians 4:7

- (07) But unto every one of us is given grace according to the measure of the gift of Christ.

What measure I don't know? But at least there's a common measure. And there could be an added measure because God might have wanted you to be a martyr or something.

But it tells you that God is doing this, according to the measure of the gift of Christ, you will have grace for your ministry, for your life. Now watch what he goes into; this measure of grace.

It's like the measure of faith. You have to have a certain measure of faith to prophesy and another measure of faith greater, in a greater realm, to pray for the sick and those things; that takes faith.

Every man doesn't have the same measure. Now he's going to have basic. Do you understand what I am saying? He's a sheep.

25

Now watch!

Ephesians 4:8-11

- (08) Wherefore he saith, When he ascended up on high, he led captivity captive, and gave gifts unto men.
- (09) Now... he [that] ascended, what is it but that he also descended first... to the [lowest] part... of the earth?
- (10) [And] He that descended is the same also that ascended up far above all heavens, that he might fill all things.]
- (11) And he gave... apostles... prophets... evangelists... pastors and teachers;

Now that's the time he came down to Paul and set the church in order: apostles, prophets, teachers, pastors, evangelists, or evangelists, pastors. Now then, that's that Spirit that came down and set the church in order.

I'm asking you a question now: if Brother Branham categorically said, "*We've got to go back to Ephesus,*" and He's here with the true revelation that Paul brought [same Pillar of Fire, same God] I want to ask you a question: did Brother Branham then or did God through William Branham, a replication as it were of Paul, would God change this so there's no longer a five-fold ministry?

Well, people believe it is, there's no five-fold ministry. I'm criticised that right now by a very good friend.

"Don't listen to Lee Vayle, he's going to get you into trouble." Well, if you're in trouble; I'll answer for it, not your lives, but the Word I am giving you.

26

Brother Branham before he died told a man, he said, *“There’s not that many true five-fold ministers right now.”* [Brother Vayle holds up his hand.] Where is there one word that Brother Branham contradicts the apostle Paul?

If he contradicts the apostle Paul; William Branham is a false prophet. He’s preaching about himself, seed of discrepancy. But the peculiar thing is this that I tried to bring out in here above this; it says,

[50] *...Jesus came, and He found that discrepancy, contrary. He was the Word made manifest. He was the interpretation of the Word, because He said, “Search the Scriptures... in them you think you have Eternal Life, and they are they that testify of me.” where you get your Eternal Life.*

27

Now the Bible absolutely says, “The Word of God gets restored, and it’s to the Gentiles.” The 3rd chapter of Acts: Elijah must truly come.

Then Elijah will be the manifestation of that Word and thereby, the interpretation and you can do what you want with It.

Reason your own thinking, have your own thoughts; I got no problem. None at all. William Branham was the fourth Elijah, after John the Baptist.

And there’s a key verse in the Book of Malachi that says... “Elijah will turn the hearts of the fathers to the children, and the children back to the fathers.”

But John the Baptist did only one half. Who’s the other man that is going to do it? Got to be somebody do it. Got to get you back to your fathers; who is your fathers?

The prophets! True five-fold ministry bringing the Word of God, now what’s going to happen... this didn’t happen in the beginning, but Paul said, it’s got to happen.

28

Ephesians 4:

Ephesians 4:12

(12) For the perfecting [the equipping] of the saints, for the work of the ministry, for the edifying of the body of Christ:

A five-fold ministry is supposed to do it. Why do you think Brother Branham preached that sermon... Respects for the Ministers?

Because they don’t have respect. A man come to me and told me, “I don’t agree with you what you’re preaching the last two Sundays.”

What’s to agree? I own the pulpit, got a hundred thousand dollars in a contract in it. Shut him up but good. He’s going to tell me he takes his kids to practise on Sunday.

29

Now listen, you people get this straight, this is the Lord's day; we consecrate His resurrection; you better hold it like that.

When I was a kid; all we could do was take walks and a few things. When you get together, don't just come together for fun, we want Sunday night services here, Luke comes, he can have them.

Be more steadfast in Christ; more sober. Let me tell you; that day is upon us.

The other day I was riding in the car with John McRae, and I began thinking, as I told you many times, popey old boy, "You're right, natural birth control, I know it's hard on people." I know it.

I make no apologies. I sympathise with every young person. But he also said, "No abortions."

And a strong right wing is coming together with millions of voters and they're going to have to back the pope and the pope has declared that he will lead the three great monotheistic religions and Arafat made a statement about Jerusalem; the pope came right behind and said, "Hogwash." I said 'hogwash' for the pope.

He wouldn't say that; he's a nice guy. And he said, "No, it's going to be for three religions; and he's going to top it."

And did you know what this pope said. "There's a bad pope coming, that's why I'm choosing my college of cardinals very carefully so that I won't be blamed."

The Catholics themselves, know that they're the whore of Babylon. And the Protestants will fall for it. The pope has said, "Mary has got to have a special place."

Well, even amongst us if you got a female Holy Ghost; there's no problem. If the Branhamites can take that before the riff raff... out in the denominations, I take that word back; the discrepancies; I'll stick with Brother Branham.

30

It is now rumoured because the pagans brought in their religion to the Jews, there's thoughts in the archeology magazine; that maybe God does have a consort, maybe He does have a wife. They've made David a sleazebag.

Can you understand why there's only going to be a hundred and forty-four thousand sealed in, out of millions and millions?

Do you see your money system going? It's gone. But America still controls the finances, seventy-four percent or better of the world's commerce.

The pope's got the gold. I understand now, Congress is going to ask the pope to come and visit as the worldwide ambassador envoy: religion and politics coming together; so they'll have political religion.

If you don't believe in the trinity, you don't believe in this muck and mire they're going to teach you, you're going to starve.

Now, I feel sorry for young people; I'm old enough I could starve quite easily. When I had Candida that time; I didn't want to eat, went down to a hundred and forty pounds.

And if my wife hadn't taken measures and forced me to eat; I'd have been dead. It's not as bad as you think but I don't like to think about it. I'm not anxious to die but my times are in His hands.

31 Now listen,

Ephesians 4:12

(12) For the perfecting of the saints, [That's equipping. You get that through the five-fold ministry. See. The Holy Ghost was sent for that really, but you get it through the five-fold ministry.] for the work of the ministry, for the edifying of the body of Christ: [to build it up.]

It takes God through His ministers who teach the people to bring this body up. See, Stephen wasn't one of the original ones.

He wasn't one of the apostles, or Phillip. They just... Stephen was the one that died as a martyr. He was just a convert.

But, man, could he preach the gospel under the power of the Holy Ghost; he was one of the deacons. Call them deacons, that's not scriptural. Now,

Ephesians 4:13

(13) [Now,] till we... come in the unity of the faith,

Now Paul starts with the unity of the faith and he said, "God has equipped His Bride to get her back to that unity of faith, where they believe correctly.

Now, let's face it. I don't say everybody's got to have the same depth of insight, but what you're looking at is vindication.

32 Now remember, I showed you 2 Corinthians, so we're going to look at it again. This same sermon, Brother Branham said, "*Examine yourselves.*"

He said, "*Prove yourselves.*" Now what does Paul say in the 13th chapter.

2 Corinthians 13:1

(01) This is the third time I am coming to you. In the mouth of two or three witnesses shall every word be established.

Now he's saying, "I'm going to bring reputable men with me that can prove that God has vindicated me because nobody does what I do.

Nobody can do what I do. Because it is not I doing it, it is God in me doing it." The same thing that Brother Branham said, that Jesus said.

2 Corinthians 13:2-3

- (02) I told you before, and foretell you, as if I were present, the second time; and being absent now I write to them which [therefore] have sinned, [They're lying about the Word. They're lying about Paul. Now watch!] I will not spare:
- (03) ...seek [yeah] a proof of Christ speaking in me, which to you-ward is not weak, but is mighty in you.

Look how he puts that. See. "Seek ye proof of Christ speaking in me." The Word's coming from me. Not from anybody else; it is Christ. You're not being taught by me; you're being taught by Jesus.

And that Word is mighty in you and you don't know what you are doing to yourself and others by denying It. How mighty is that Word? See.

33

Now watch!

2 Corinthians 13:4

- (04) ...though he was crucified through weakness, yet he liveth by the power of God.

Christ died for that Word, being the Word and God raised Him. Now the point is; how mighty is that Word that is in you and me?

A Name above every name, every knee must bow, things in heaven and things under the earth, no matter where they are.

He's the supreme authority. He makes sure nothing gets between us and God, except Him. Stands right there making sure that our inheritance in the saints which is the Word indwells our hearts, liberally, richly.

34

Now watch!

2 Corinthians 13:4-6

- (04) For we also are weak in him, but we shall live with him by the power of God toward you.
- (05) Examine yourselves, whether [you] be in the faith; prove [yourselves]. Know ye not your own selves... that Jesus Christ is in you, except ye be reprobates?

(06) But I trust... ye shall know that [you] are not reprobates.

In other words, it looks to me like this church was pretty weak and it was a weak church. They had their schisms.

They had their problems, but Paul didn't wipe them off. But he did say after the first or second admonition we should say, "Heretic."

These people were a troubled people because of gifts... the church wasn't in order. And Paul wants the church in order.

And it comes today, the same as it came yesterday, by Christ in the man, God in the man, vindicating. God vindicating the prophet, vindicating the Word; threefold vindication and if you accept that, you are threefold vindicated.

God must accept you. Christ loves you; stands by you. And the Word can't condemn you. See, it's going to get better as time goes on.

35 See now, watch what he said at the end time.

Ephesians 4:13

(13) Till we... come in the unity of... faith, [Which they had in the beginning,] and... the knowledge of the Son of God,

Now notice, knowledge of the Son of God: who He really is. They lost it. They made Him God; Jesus isn't God.

It's like Brother Branham said, "*He's God but He's not God.*" You mean it's a horse but it's not a horse? He's just telling you the truth.

When God incarnated Him, there was a supreme Deity of the Lord Jesus Christ. And that Spirit which was Elohim, we can't see Him, He's here with His Bride, don't worry.

He's got a Voice, going to bring out the dead. Trumpet going to raise us up. That's right; that's the Bible.

That's vindicated teaching by a vindicated prophet. I want to tell you that brother/sister. He is that Son of God. They turned it to a trinity.

36 Now the Jesus-Only come on the scene; and they make the Father the Son. The Son isn't the Father.

I can tell you right now; I am not my father... tell... he might be in hell roasting by now. Let me tell you something; your biological birth is nothing; it doesn't matter who bore you.

You could have been born in a house of prostitution by some vulgar horrible person but

God knowing that seed picked you right out, out of the pigpen, hog pen, chicken pen.

Listen, He by manifestation became the interpretation, like John the Baptist. Let me tell you by manifestation He is the interpretation that is Elijah, which was for to come.

You say, "Brother Vayle, I believe there's other ways of knowing it." You're crazy. You're reprobate.

Merciful God, what seed are you from? How dare you look at that picture even and say you believe that's a real prophet of God? Your words lie.

They're back in your face. That's the picture of the Shekinah Glory. The Light hit the lens. You're not living in a fool's paradise.

We're going to find out one day, to our shame, we never believed like we should have believed. No, we're not giving enough time to this blessed Word.

37 [50] *And every born... again son and daughter of God of this age is the interpretation of the Word.*

Now what does that mean? Just what it says. Now Jesus was the interpretation of the Word because He believed that Word and He lived the Word like you and I will never do it, but we believe this Word.

We identify with It. So we are the interpretation of the end time Word. We believe in Brother Branham. Oh, my goodness, Kentucky hillbilly.

Why, he doesn't even say, "Amen," right. I don't care what he says; he can drop his 'h's' or put them where they don't belong.

He can make any rhubarb he wants as far as I am concerned; I got no problem. I listen to the Word that is vindicated.

38 I got my start because I didn't know that he was infallible. A certain guy that put me wise to the fact that, Brother Branham's infallible, is now out in the world; crazier than a hoot owl.

The man that preached the sermon at Sister Mede's funeral; and I was disgusted with it, to be honest with you, got messed up and gone back to the Catholic church. I want to ask you a question: would you sooner have Frankie Proctor here discern or one of those guys preach to you?

Well, Frank will never discern again in this church. He'll be well advised, trained. See, if you love somebody; you'll work with them. If you got doubts, they'll hinder you. See.

This Bride here is the manifestation. Brother Branham got caught up behind the 'Curtain of Time'; he said, "*Who are these?*"

"They're Branhamites, the ones that you won."

Ninety-year-old woman, when she died, before she died, came at the age of ninety, the... minute of the Gospel of Jesus Christ under William Branham. Here she was like a sixteen-year-old girl. "Do you recognise her?"

"No, I don't recognise her."

She was ninety years old when she got saved. Think about the future we got. And they don't even have glorified bodies yet. They got like a wisp, a little in-between. What will it be like in that day? It's just too marvellous to think.

39

Now he says here,

[50] *...every one born... again son and daughter... of this age is the interpretation of the Word of God. And there's only one message with Life in it. [We'll keep going.] You are written epistles, read of all men.*

Well, what is an epistle? It's a letter. What is a letter? It is a written communication. What written communication do we have?

Vindicated Bible. Where if? You say, "Brother Vayle, I don't live too good a life." I can believe that, fap, I don't have any trouble, don't even bother confessing it.

Any time this church gets up and starts confessing their sins; I'll throw you out the door. Confess them to God; go to the guy you sinned against.

First thing happens when they get this funny spirit on them, I saw it in the Methodist years ago; the church goes downhill.

See, they want to do it their way. Do it God's way. Like Brother Branham said to one person if he takes your skin off; *'Go ahead and do it.'* See.

40

Now watch what he says.

[51] *Notice,*

And he's telling us why we are written epistles. See. Why we are God's communication to the world. Oh, my, I didn't realise I was that important. Well, why don't you just read your Bible. Read as the prophet said, he's quoting Paul.

[50] *...You are written epistles, read of all men. Yes.*

[51] [Notice, He said,] *"In vain they do worship Me, teaching discrepancy for Doctrine. In vain do they worship Me, teaching for Doctrine the discrepancy, the doctrine of men, the creeds of men, teaching that to be the Word of God, which... has nothing to do with the Word of God."*

So there's where you are the manifestation. You got nothing to do with anything but the Word of God.

So forget what Einstein said, even though Brother Branham quoted him. He was just giving

a comparison. Forget what you read.

Brother Branham warned you; *“You go to your old creeds and dogmas; you won’t be ready for the Wedding. You got to get your garments to this Word here”*

You say, I believe I’ve been ordained to testify. *“Let me find that woman of such character, stands in the waters of separation, hears the Message, and gets clothed.”*

And I want to tell you something. The Bride is all glorious within and without. That this part we’re glorious within; outside we’re dying, anything but glorious.

A bunch of mud-daubers; down in the mud and forgot to get up. See. Now, he said,

[50] *...written epistles, read of all men. Yes.*

41

I got a note here so I’m going to see if I can make any sense out of it. Oh yeah, 3rd chapter.

2 Corinthians 3:1

(01) Do we begin to commend ourselves, or need we as some others epistles of commendation to you or letters of commendation from you.

Now what’s this man saying? I’m standing here all alone. And I don’t need anybody and I don’t want anybody.

Now listen, that guy’s got a some kind of hook on God or God’s got some kind of hook on him for him to talk that way.

This is what I read to you. He said, “Tell me, who is going to recommend me?” Who’s going to send me a letter to introduce me?

2 Corinthians 3:2-3

(02) [You] are our epistles written in our hearts, known and read of all men:

(03) Forasmuch as ye are [the] manifestly declared [manifested...] manifestly declared [thorough explanation.]

We are thorough explanations of this man’s ministry. Yeah, we believe in serpent seed. We believe we’re a part of God.

We believe we’re eternal secure. We believe nobody but us has life. You say, “Boy, they do lay it down.” I’ve got to lay it down.

I got to lay it down; nobody else is doing it out in the denominations, only us few people.

“Millions now living will never die.” Ha, they’re already dead, waiting for the second death. The last great plague. See. Now watch!

2 Corinthians 3:3-4

(04) ...written not with ink, but with the Spirit of the living God; not in tables of stone, but in [fleshly] tables of the heart.

(05) And such trust have we through Christ to God-ward.

He said, "I preached it. I'm vindicated. You saw it. You took it. You're a part of It. You are the manifestation, the interpretation of my ministry."

In the first age the ministry of Jesus Christ and Paul established churches and put elders over them. There's no difference, brother/sister.

42

Let's go back to Ephesians now because we're... I'm just preaching without notes and I care less, we'll get there. He says here,

Ephesians 4:13

(13) [Now] till we all come in the unity of the faith, [They already lost it in the first age. I'm of Paul, I'm of Apollos, I'm this, I'm that. and... the knowledge of the Son of God...

There's a special knowledge of the Son of God that was lost. Because the Bible says, "They had another Jesus." Is that right?

Then they lost this one. The one that people can't understand. Brother Branham said, "*I'm not Oneness.*" Then what are you Brother Branham?

What he was saying was, "I'm not Jesus-Only." He was Oneness alright, Oneness with the Godhead. He believed in one God.

Well, he told me flat, "*Any woman can have children by two men.*" But he said, "*How could one be born from two men.*"

Two men can't inseminate. Sperm wouldn't mix. One sperm gets there ahead of another. Jesus had two fathers?

He said, "God was his Father." Bible said, "The Holy Ghost came upon her." Beautiful mystery; isn't it? You talk about being screwier than bed bugs. And bed bugs can bite; I've had them bite me. All right.

43

Now he said, "*This special knowledge of the Son at the end time and that special knowledge, believe it or not, is when the ministry of Jesus Christ returned to this earth to the Gentiles.*"

Because this is to the Gentiles! Son of man ministry: go to your gospels, read all about it.

Brother Branham said, "*Brother Branham*, [they asked him,] *what did Jesus mean when you said, 'He that sees me, sees the Father', you're looking at me; aren't you? Same thing.*"

Oh, blasphemy, kill him, oh my, take his head off, ho, ho, ho. And then kiss the pope's toe. That stupid jerk: what can he do? What has he ever shown?

It's all a bluff. That's not a bluff [Brother Vayle points to the picture of the Pillar of Fire] That's reality. But you know, people don't want it. No, they don't want it. They got no room for it.

44

Now listen,

Ephesians 4:13

(13) ...unto a perfect [That's a mature man, full-grown.] unto the measure of the stature of the fulness of Christ:

What all that means; I don't know. To me, it sort of means the body of Christ is going to get finished.

But it also means this to me; Brother Branham said, "*The Capstone cannot come down without this perfect ministry.*"

Can anybody remember that quote? Get it on your machines sometime. He has to have this ministry like 'they without us cannot be made perfect'.

We got the perfect Word of God according to 1 Corinthians 13. They said, "What does it mean, that which is perfect is come.

Who is perfect but God and God is the Word and by His grace we have the perfect revelation of the Word for this hour.

See? Now that's going to bring us up to the stature that Brother Branham preached of where it's brotherly love and it's not love, as people want to say it.

Because God is love. We got brotherly love like 'fishhooks on our elbows' like Bank Woods said. He said, "You're sort of touchy and tacky with each other."

But he said, "When they get in trouble, he said, you watch how they come to you." I've found that myself recently.

Help anybody if I can. Nobody is my enemy to such an extent that I couldn't do something. I hope it's real in my heart as it is in my mouth. God forgive me if it shouldn't be.

45

Now, he said,

Ephesians 4:14-15

- (14) That... henceforth be no more children, [What does that mean? Adoption and the fullness of the adoption comes in the resurrection. So,] tossed to and fro, [How many in this Message are 'tossed to and fro'? I bet, ninety percent of them. You got to come to the place where this is It. See. All right.]... and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive;
- (15) But [holding] the truth in love... [See? Love is defined; it's one of the fruits of the spirit there.] may grow up into [onto] him in all things,

In other words, we're not going to miss a trick. This age comes like it came with Jesus, every prophet was a part of the Word; he was the Word: fullness.

You won't miss a promise, but part of that promise was what? The Shout: bringing the Word back. Now if you're part of the Shout, you'll be a part of the Voice.

If you're a part of the Voice; you'll be part of the Trump. And you'll be there when that Spirit in our midst becomes incarnate to us and we'll crown Him King of kings and Lord of lords.

That will be the Son of God, the Son of man, the Son of David, the Rose of Sharon, the altogether Lovely, Elohim in a body.

It's no mystery. That's how He came. Remember, He's the only begotten of the Father. We're not. We were put into Him and then put into Adam.

As in Adam all men die, in identical manner, everyone's made alive. Yup, foolish virgin, everyone, God doesn't miss anything; we miss... we won't either.

46

Ephesians 4:

Ephesians 4:15-16

- (15) ...which is the head, [grow up into... all things,] which is the head, even Christ: [You see. That's the Spirit doing it.]
- (16) From whom the whole body fitly joined together and compacted by that which every joint supplieth... [Seven joints: Seven Church Ages: the last three; reformation, and the tail end; restoration. Now,] according to the... working in the measure of every part...

And Brother Branham said, *"Every age had a measure, had a part. This time it all comes out and not only that; it's like a Roman candle, bursting past the White Throne."*

Oh my, listen, if this doesn't give us hope:

Ephesians 4:16

(16) ...[worketh] in the measure of every part, maketh increase of the body unto the edifying of itself in love.

And Brother Branham said, *“How can you who love this Message, not love each other?”*

Well, that lets me off the hook, if they don't love this Message as I do, I can be nice, I can be sorry for them, but there's going to be that special love missing and there are already more of it amongst us.

I see some that I really admire; I see you young people learning to live lives, helping each other, caring for each other.

And so you should, make room in your homes for each other, if necessary. I don't have to... don't say, give your own bed; they can sleep on the floor.

Put a mattress down there for them. Be social minded; don't over do it. Be kind. Be charitable. Learn to give somebody a helping hand, instead of holding your hand, and say, “Hey, I need help. I need help.”

Some of you haven't learned your lesson in this church just yet. You haven't learned your lesson. God has laws; if you obey them, they'll come out great.

47

Now listen, let me tell you something. The church began to die. How much time we got? Fifteen. Good, I can just finish this.

The church began to die the same way that heaven got corrupted. Now, what we're going to do, see, I haven't even got to the next paragraph, but I like it.

I want you to read with me, Isaiah 14 and then we're going to go Ezekiel and I want to show you something, runs in continuity.

Isaiah 14:12-17

(12) How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!

(13) For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit... upon the mount of the congregation, in the sides of the north.

(14) I will ascend above the heights of the clouds; I will be like the most High.

(15) Yet [you are going to] be brought down to hell, to the sides of the pit.

(16) [And they'll]... look [narrowly] upon thee, [Oh my, is this the one that made the world] to tremble, [Is it man? Calls it man. See? This man; anti-Christ.]

(17) That made the world as a wilderness, and destroyed the cities thereof; that opened

not the house of his prisoners? [They've taken prisoners.]

48

Let's go to Ezekiel. What is that? 27, I went right by it, I'll find it again. All right. To rebuke to the King of Tyre. Chapter 28 and he said,

Ezekiel 28:2-5

- (02) ...Because thine heart is lifted up, and thou hast said, I am... God... a God, I sit in the seat of God, in the midst of the seas; ['Seas' are 'people, multitudes'. I am God to the world. I am the God of the world.] yet thou art a man, and not God, [yeah,] thou [hast] set thine heart as the heart of God:
- (03) Behold, thou art wiser than Daniel; there is no secret that... can hide from thee:
- (04) With thy wisdom and with thine understanding thou hast gotten thee riches... [thou] hast gotten gold and silver... [and] treasure... [Who's got it? Rome's got it. Right? Anti-Christ comes from there.]
- (05) By thy great wisdom and by... traffic hast thou increased thy riches, and thine heart is lifted up because of thy riches:

49

Didn't I tell you, that the Scripture that says, If you cannot handle the unrighteous mammon; you will never get the true riches.

And the true riches are what? The inheritance in the Bride which is the Word. You watch money: I see churches going down because of it.

And I'm in a hard place myself because I took the whole burden of that household; I don't even want the blasted dump.

I'm in a strait betwixt two things. Pay it all off, put the money out in the field. You see, "Well, I've got a conscience."

Well, you've got a conscience what you've got to do is your business. I know some of you want to help in the financing in the sense, I turned it down, maybe, I wasn't smart. I don't want to hog glory, don't worry.

But I've got a real burden; am I doing right by money. Brother Branham said, "*I'd never go wrong by money.*" Am I defrauding somebody?

How can God give me true understanding when I won't accept His way of getting it? See? I'm not trying to a moral virtuous man up here; forget it. Get yourself another preacher. You're going to have to get one pretty soon, anyway.

50

Ezekiel 28:

Ezekiel 28:6-7,10,12

- (06) [Now,] therefore thus saith the Lord God; Because thou hast set thine heart as the heart of God;
- (07) Behold, therefore, I will bring strangers upon thee, [and so on.]
- (10) ...die the deaths of the uncircumcised... [Now watch what he said in the 12th verse.]
- (12) Son of man, [That's a prophet.] take up a lamentation [against] the king of Tyrus, and say... Thus saith the Lord God; Thou sealest up the sum, full of wisdom, and perfect in beauty.

That's what John saw. Well, you talk about the Bible, not... telling you a lot of things in different places.

51

Now watch!

Ezekiel 28:13-18

- (13) Thou hast been in Eden the garden of God; every precious stone was thy covering, [Notice, it was like the ephod that covered the priest, but it's not the same. It's a discrepancy. It's not the pattern. Like God said... Must seal, make everything according to the pattern I showed thee. Oh hallelujah. And so on.] emeralds... workmanship of [that] tabrets... of thy pipes was prepared in thee in the day that thou wast created.
- (14) Thou art the anointed cherub that covereth; [He led in the worship of God.] and I have set thee so: thou wast upon the holy mountain of God... [and] walked up and down in the midst of the stones of fire.
- (15) Thou wast perfect in thy ways from the day... thou wast created, till iniquity was found in thee.
- (16) By the multitude of thy merchandise they have filled the midst of thee with violence, [Look at the war going on.] therefore I will cast thee as profane out of the mountain of God: and... destroy thee, O covering cherub, from the midst of the stones of fire.
- (17) Thine heart was lifted up because of thy beauty, thou hast corrupted... wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that they may behold thee.
- (18) Thou hast defiled thy sanctuaries by the multitude of thine iniquities, by the iniquity of thy traffic; therefore will I bring forth a fire from the midst of thee, it shall devour thee, [Just like the atomic bomb.] and I will bring thee to [see; implode and explode]... and I will bring thee... ashes upon the earth [and so on.]

52

Now let me tell you something; this is where the seed of discrepancy started and this is where it ends. Lucifer was a cherub; cherubim, that covereth.

Jesus stood there as Michael. I don't understand it. Brother Branham said it; I believe it because he took us back beyond what any man could take us.

There they stood worshipping God, and Satan said, "I'm going to be God. I'm going to take the place of God."

His own testimony was this now get this straight the testimony of Satan was this: God is not sovereign. Did you hear what I said?

Satan said, "God is not sovereign. I could beat Him at His own game. I'll get above Him." And he said, "I'll be just like Him."

He said, "I want equality in the things of God, with you God or let me take over." You follow what I am saying?

Now listen, you understand what I'm saying? Are you catching it? What was the word I used most? Huh? Sovereignty!

Sovereignty which means 'God ruleth in the heavens and on the earth' and you can't do one thing about it, you can't change Him, you cannot change His Word, you are under bondage to a sovereign.

Satan said, "I can change that." Yup. Smart, educated, talented, brilliant: he said, "Sovereign God, my foot."

He went to the Garden of Eden and he said to Eve, "Yea, hath God said, if you eat of the tree you'll die?"

She said, "That's what He said."

"Well," he said, "I've got news for you; God's not sovereign. You're sovereign. You can make a decision."

You follow me. Huh? You follow me, okay? Now, there's where death came in.

53

Now, for the final. What brought the second death under Brother Branham? Just sit there and think. When Brother Branham said, "*You Pentecostals can't stand the word 'predestination'; I'll use the word 'foreknowledge'.*"

He already knew that they were dead. They changed the Word. One word was all it took; 'God's not sovereign.'

Now, brother/sister, you lay that down. I'm not saying that Lee Vayle knows all the answers, but I got that answer just about a week ago or so.

What was it? What was it? I've known for weeks that Brother Branham never changed the Word; God manifesting their folly.

“Oh, we can put something to it. God’s not sovereign, I’m sovereign. I can tell God what to do. And I can tell people what to do.

And I’ll tell you what; they’ll get saved. Hallelujah. Millions now living will never die.” They’re predestinated; they do die.

The Catholic church started out hating predestination, although August of Hippo said certain things about it; today the Catholic church says, “If any man can assuredly say he’s predestinated, let him be an anathema.”

The Catholic church is cursed, what God blessed. Do you understand what I am saying?

54 Brother Branham said, “*They always wanted to put something to it.*” He said, “*I’ve got a gift; I can get out of the way.*”

People don’t want to leave the Word the way the prophet brought it. See? They denied the sovereignty of Almighty God. What’s going to happen? 2 Thessalonians,

2 Thessalonians 2:3-4

(03) Let no man deceive you by any means: for that day shall not come, except there come a falling away first... [the] man of sin be revealed, the son of perdition; [The son of perdition, there’s the Son of man is there.]

(04) Who opposeth and exalteth himself... all that is called... above all that is called God, or that is worshipped... in the temple of God, shewing himself that he is God.

The mystery of that did not start with Paul. It started in heaven. When Satan rebelled and said, “I’m going to be like God. Who needs God?”

At the Tower of Babel; they were going to run up there if there was going to be a flood. They were going to face God.

They got the ladder reversed. They were going to climb down. I’m going to tell you flat; if you never came from above, you ain’t going up.

Sure it’s right; I’m not lying to you. Wouldn’t care if I got a ‘Amen’ or not; it doesn’t bother me one little bit. But I thank you for it.

55 Revelation, chapter 13, sure, that’s America, thirteen stars, thirteen stripes, thirteen colonies, thirteen this and that. And it tells you about verse 3,

Revelation 13:3

(03) ...[the head was] wounded to death...

You know, Brother Branham told how it came back. *"It was the old Roman Empire come back as the holy Roman Empire."*

Revelation 13:4-5

- (04) ...Who is like unto the beast?...
- (05) ...given unto him a mouth... [that's all he's got.] speaking great things and blasphemies; and power was given unto him to continue forty and two months.

And the present pope has said Mary's got to have a part in this. Now we got a king and a consort. A God and a queen. Not Lee Vayle; not this church.

Revelation 13:7-11,13,15,17

- (07) And it was given unto him to make war with the saints, and to overcome... and [have] power was given him over all kindreds, and tongues, and nations.
- (08) ...that [should] dwell upon the earth [that] worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world. [See? We're scot-free.]
- (09) If any man have an ear, let him hear. [In other words, smarten up, bud.]
- (10) He that leadeth... to captivity shall go... to captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.
- (11) And I beheld another beast [and he had even greater power...]
- (13) ...[doing] great wonders, [power coming down from heaven, deceives the people on earth by means of phoney miracles. The sight of the beast; it's just like another Jannes and Jambres. See, make an image to the beast. They set the thing up and give it a life; an infusion of money, gold.]
- (15) ...[and] as many as would not worship the image of the beast should be killed. [You see, you got, Jesus is the image of God. We got an incarnate person here; the old devil himself.]
- (17) ...no man [could] buy or sell, [except] he... [have] the mark... of the beast,

The mark of the beast comes out of Rome. See? Denying the sovereignty of Almighty God. The Pentecostals said, "There's no predestination; we can't take it."

They can't take serpent seed. If they saw serpent seed; they'd see predestination. How would God ever condemn a part of Himself?

He doesn't say, "I'm going to beat my kids to death; I'm going to correct them. Get them in shape."

And at the end time where everybody's wretched, miserable, blind and naked: He said, "I'm going to send a man to get my prepared... Bride ready."

So are you prepared? William Branham didn't come to people who were going to come on earth, nor did John the Baptist, nor did Elijah and Elisha.

No, even the hundred and forty-four thousand. They're prepared. Vessels prepared by God; read it in Romans 9, I've read it many, many times and explained it to you.

The vessels of wrath prepare themselves but God prepares the vessels unto Himself for God. Sure. So that's what you're looking at here.

You're looking at the fact; the second death hit the church, change one word; you follow what I'm saying? All right, look it. That's an organ, right?

Let me call it a 'piano'; does that make it right? Let me say, well, there's really no organ there; that's something else. Does that make it right?

Certainly, not. Predestination means there's a pre-destiny. It's marked out and you're going to get there. And it tells you who is going to get there.

The foreknown through election; the processes of God is laid down; the proof that you have the Holy Ghost, believing the Word of the hour. You are prepared; we're not ready; we soon will be.

56 Now listen to me; the church world died when they changed that Word and I took you right back to the beginning.

They don't believe the sovereignty of God; that God should know every flea and how many times he bat his eyeballs and how many it would take to make a pound of tallow.

They hate sovereignty. They don't want God leading. They don't want the Word leading. They want their creeds and their dogmas.

We're no different from Israel. They crucified Him. Look at what punishment they got. We crucify to ourselves; in other words, we hang ourselves on a cross, death.

But you know what? All those bodies are going to get cut down before daylight. You can't leave them hanging on the tree overnight. You got to cut them down.

And I'm going to tell you, hallelujah, when our Son of righteousness comes with healing in his wings, to take away His Bride, yup, they'll be hanging on the trees, but by the time we come back with the great day shining for the Millennium, take the earth over, they won't be there, they'll be ashes under our feet.

Well, that's what we had this morning; I didn't get quite to what I wanted to.

57 There's another verse here that I want to get to; but maybe, I'll find it later. So, I trust that we're getting back in shape to preach that's all I know and to eat; sometimes we don't do too good there because we don't feel like cooking.

As long as we got Angela around and taking care of us, we're in good shape though. I called a lady that has food... what do you call it? Food on wheels.

I said, "Are you the one that has this food on wheels car that comes by and feeds old people gourmet chicken breast and tastes good?"

I appreciate it. And Trish made a great... great... casserole. I just love lentils. And we had a ball eating the lentils and the good food.

All your nice kind acts. That's nice, that's nice, we appreciate that. Trevor takes care of the lawn so I don't have to go and mess around. He gets the mosquito bite instead of me.

58 By the way, Gerald's an outstanding tennis player. He defeated the guy that is winning championships in Africa.

I think our kids could learn tennis. We should think of making a court; even just a grass court. Gerald's willing to help the children.

I think... I think anybody with a heart would want to help our children. I know I get terribly upset because of our children, because I don't know what's going to happen.

I see out in the world. I just thank God that... well, I don't thank God you might get hit. I thank God, I hope I don't get hit. I'm kind of old now.

But it isn't going to get any better. Won't get any better. Well, next Sunday, I'll go into the verse and tell you where AIDS comes from, why it came. It's in here. Right in the Bible; how it spreads.

Well, do you love the Lord this morning? I just don't know what else there is, except this is our life and there's no life outside of this Message, because they gave it the second death when they changed that Word and they said, "God isn't sovereign."

Let me tell you; God is sovereign. Now that's the thing; we better start believing here as never before. Todd can tell you; God's sovereign. He should have been the prize boy in the class and he was.

He should have got the best job. Couldn't get a job; had to come to Dayton. Why? This is where it is. Yeah, he understands it. He's a lot younger than some of you people here; I wonder if you understand as much as Todd understands?

59 How did it get moved up here to Ohio? I wasn't a Baptist preacher; I was a renegade Pentecostal. And when I prayed for their sick; they voted me in as pastor.

I said, "What do you mean pastor?" I didn't tell you to put my name up there. "Oh, we voted you in as pastor." Merciful God.

I didn't even have a choice. They said, "Here's your house, it's fully furnished." I thought, "Yoi, yoi, what's going on here?"

I can't figure this thing now. I went back and I told them, I said, "I got voted in as a pastor up there in Ohio but I won't leave you until another man comes."

Isn't that nuts? Crazy. You talk about crazy. Literally, get carried up here. Why am I here? This is why I'm here, also to get close to Brother Branham.

Why did God take me to Florida, all the way down there to see William Branham, up there? Because a certain man I had to meet, predestination. I'm going to predestination now.

60

I like what Brother Guenther told me, you listen to a tape, and a man went to Brother Branham and Brother Branham told the story, and the man loved Brother Branham dear to his family and he was horribly upset that they were saying terrible things against Brother Branham and his family.

So he went to Brother Branham and talked, and Brother Branham said, "*Forget it. God predestinated that; I needed it.*" How many fleas? How they bat their eyeballs?

He knows my coming and my goings, nothing is hid from Him. He knows the reins of our heart. The prophet proved it. We don't even know our own hearts. But there's a God who is sovereign and He can show us these things.

Well, let's rise and be dismissed.

Heavenly Father, we thank You for the time we've had together. Appreciate you're going to bring Brother Luke to us for some services.

Appreciate Lord, You listening to us concerning Frank and ministering. We don't understand Lord, we're not dictating to him saying, you got to do so and so.

In fact you know Lord, my heart was very fearful if he'd ever lay down anything because I know what that's like, but You laid mine down for me.

And I appreciate that very, very much, to be able to come to the Word and just the Word that has been vindicated and the great Vindicator vindicating His Word means what has come to pass as vindicated and what lies ahead is vindicated.

Now help us to get rid of anything in our hearts this morning Lord, any insincerity, any doubt, anything, bringing our minds under such control that we only know the doctrine and we don't know the doctrine only on the grounds of a knowledge because Satan was smart as a whip.

But we understand the sovereignty. We understand God, our Father. We have the true revelation of the Son of God.

These things Lord, may be they just need dynamizing, I don't know. Oh, I know they do. I know I'm impatient.

I know that Lord, no man could hate me as much as I hate myself and be critical. But I got to believe You, because You're sovereign; You sent a prophet that showed a sovereign God.

And now Lord, rising with You, by the Shout, we're coming together as one body, one faith, *"And we that love this Word will love each other."*

Oh yes Lord, I believe that the prophet, I believe when he said that, it's the same as when he said, "Be ye perfect as your Father in heaven." If You said, You've got to make a way for it.

And the sweet Spirit of Christ come into the church, healing the sick, we believe we got the sweet Spirit in the church this morning Lord, spirit of the believers believing, understanding, moving, going on.

How wonderful. Lord, you know, my comings, my goings, my uprisings, my down-sittings, you know my motives, you know everything about me.

I feel like a shady character in Your Presence. But I want the light to glow Lord, I want the Light to come from You.

I want that Light from the Word to shine into my Mind, my spirit, my very soul, till the words of my mouth are acceptable because they're your true words.

And not only live in the spirit but walk in the spirit in all love and charity and kindness, and goodness, meekness, and lowliness.

I know Brother Branham said certain things Lord, but maybe I carry them too far. Maybe I don't know how to bear my cross.

Whatever, but I'm trying to stand loyal and I believe Lord, You give me these thoughts that go to the Bible, that just show the truth of what is it.

Seed of discrepancy can't stand sovereignty because sovereignty is spelled out in the Word. I'm the Lord that will do it.

My Word will not return void. Yup, they don't want predestination. They can't stand it. Oh Lord, they take a Cadillac car if they can get it in the lottery for a dollar.

They want the free chariot ride. But they're not going to believe how to get it. You want eight souls in the ark. They want eight million.

Lord, this morning may Your Spirit that's in this Word, that's in our minds, that we really see because I really believe what I taught this morning, let it turn me so cold to creeds and dogmas, that my mind goes stiff, can't even think.

Make our minds so red hot, that it will just flow and mould, just meld with the Word of the Living God, we're only like this, there's no Life outside of this Message. No life; death; second death; White Throne judgement, even in Malachi.

So Lord, this morning, we're just turning our hearts over to You. Purify them we pray. Sprinkle us again by the Blood and cut away all those onion layers of unbelief.

And may we walk in the Light as you are in the Light and have fellowship one with another and love each other and look out for each other, live for each other.

Be so unique that we can be just a little bit like Paul, "For me to live is Christ." We see these

things Lord, we see them in people; it becomes very discouraging at times that we seem counterproductive.

But You said, "You'd get ready a prepared people." I believe we're a part of that, we believe You're working on us now and helping us.

And I pray Lord, again, that everything the devil wants to put in our minds and all, we'll be so rebuffed, he gives up trying if that is possible. So that we are Your children in deed as well as in Word.

Unto the King eternal, immortal, invisible, the only wise God, be all power, and honour and glory through Jesus Christ our blessed Saviour, may He be honoured and may we be of those who honour Him and crown Him Kings of kings and Lord of lords, on that great day in Jesus' Name we pray,

Amen.
